SUPPLEMENTARY INFORMATION: Acting
under the Hotel and Motel Fire Safety
Act of 1990, 15 U.S.C. 2201 note, the
United States Fire Administration has
worked with each State to compile a
national master list of all of the places
of public accommodation affecting
commerce located in each State that
meet the requirements of the guidelines
under the Act. FEMA published the
national master list in the Federal
Register on Tuesday, November 29,
1993, 58 FR 62718, and published
changes approximately monthly since
then.

Parties wishing to be added to the
National Master List, or to make any
other change, should contact the State
office or official responsible for
compiling listings of properties which
comply with the Hotel and Motel Fire
Safety Act. A list of State contacts was
published in 58 FR 17020 on March 31,
1993. If the published list is unavailable
to you, the State Fire Marshal's office
can direct you to the appropriate office.
Periodically FEMA will update and
redistribute the national master list to
incorporate additions and corrections/
changes to the list, and deletions from
the list, that are received from the State
offices.

Each update contains or may contain
three categories: "Additions;"
"Corrections/changes;" and
"Deletions." For the purposes of the

updates, the three categories mean and
include the following:

"Additions" are either names of
properties submitted by a State but
inadvertently omitted from the initial
master list or names of properties
submitted by a State after publication of
the initial master list;

"Corrections/changes" are corrections
to property names, addresses or
telephone numbers previously
published or changes to previously
published information directed by the
State, such as changes of address or
telephone numbers, or spelling
corrections; and

"Deletions" are entries previously
submitted by a State and published in
the national master list or an update to
the national master list, but
subsequently removed from the list at
the direction of the State.

Copies of the national master list and
its updates may be obtained by writing
to the Government Printing Office,
Superintendent of Documents,
Washington, DC 20402-9325. When
requesting copies please refer to stock
number 069-001-00049-1.

The update to the national master list
follows below.

Dated:
