Public Water System Supervision Program Revision for the State of South Carolina

AGENCY: Environmental Protection Agency.

ACTION: Notice.

SUMMARY: Notice is hereby given that the State of South Carolina is revising its approved State Public Water System Supervision Primacy Program. South Carolina has adopted drinking water regulations for Volatile Organic Chemicals, Synthetic Organic Chemicals and Inorganic Chemicals (known as the Phase V Rule of the National Primary Drinking Water Regulations). EPA has determined that the State program revisions are no less stringent than the corresponding federal regulations. Therefore, EPA has tentatively decided to approve the State program revisions.

All interested parties may request a public hearing. A request for a public hearing must be submitted March 31, 1995 to the Regional Administrator at the address shown below. Frivolous or insubstantial requests for a hearing may be denied by the Regional Administrator. However, if a substantial request for a public hearing is made March 31, 1995, a public hearing will be held. If no timely and appropriate request for a hearing is received and the Regional Administrator does not elect to hold a hearing on his/her own motion, this determination shall become final and effective thirty (30) days after publication in the **Federal Register**.

Any request for a public hearing shall include the following: (1) The name, address, and telephone number of the individual, organization, or other entity requesting a hearing; (2) a brief statement of the requesting person's interest in the Regional Administrator's determination and a brief statement of the information that the requesting person intends to submit at such hearing; and (3) the signature of the individual making the request, or, if the request is made on behalf of an organization or other entity, the signature of a responsible official of the organization or other entity.

ADDRESSES: All documents relating to this determination are available for inspection between the hours of 8 a.m. and 4:30 p.m., Monday through Friday, at the following offices:

Department of Health and Environmental Control, 2600 Bull Street, Columbia, South Carolina 29201.

Environmental Protection Agency, Region IV, 345 Courtland Street, NE., Atlanta, Georgia 30365.

FOR FURTHER INFORMATION CONTACT: Philip H. Vorsatz, EPA, Region IV, Drinking Water Section at the Atlanta address given above or telephone (404) 347-2913.

(Sec. 1413 of the Safe Drinking Water Act, as amended (1986), and 40 CFR parts 141 and 142 of the National Primary Drinking Water Regulations)

Dated: February 2, 1995.

Patrick M. Tobin,

Acting Regional Administrator, EPA, Region IV.

Proposed Settlement Under Section 122(h) of the Comprehensive Environmental Response, Compensation and Liability Act, as Amended, 42 U.S.C. 9622(h), Arkla Hunnewell Compressor Station, Hunnewell, Sumner County, KS

AGENCY: Environmental Protection Agency.

ACTION: Notice of proposed settlement and request for public comment.

SUMMARY: In accordance with Section 122(i) of the Comprehensive Environmental Response, Compensation and Liability Act, as amended by the Superfund Amendment and Reauthorization Act ("CERCLA"), notice is hereby given of a proposed settlement to resolve a claim against NorAm Energy Corporation, formerly Arkla, Inc. The proposed settlement concerns the federal government's past response costs at the Arkla Hunnewell Compressor Station Site, Hunnewell, Sumner County, Kansas. The settlement requires the settling party, NorAm Energy Corporation, to pay \$130,938.25 to the Hazardous Substance Superfund.

For thirty (30) days following the date of publication of this notice, the Agency will receive written comments relating to the settlement. The Agency's response to any comments received will be available for public inspection at the U.S. EPA Region VII office at 726 Minnesota Avenue, Kansas City, Kansas 66101. A copy of the proposed settlement may be obtained from Venessa Cobbs, Regional Hearing Clerk, EPA Region VII, 726 Minnesota Avenue, Kansas City, Kansas 66101, telephone number (913) 551-7630. Comments should reference the "Arkla Hunnewell Compressor Station Site" and EPA Docket No. VII-95-F-0006 and should

be addressed to Ms. Cobbs at the above address.

FOR FURTHER INFORMATION CONTACT: Jonathan Kahn, Assistant Regional Counsel, EPA Region VII, Office of Regional Counsel, 726 Minnesota Avenue, Kansas City, Kansas 66101, telephone number (913) 551-7252.

Dated: February 1, 1995.

Dennis Grams,

Regional Administrator.

Invitation for Proposals; Environmental Education and Training Program

I. Important Application Information

Eligible applicants: U.S. institutions of higher education or not-for-profit institutions or a consortia of such institutions.

Funding: One cooperative agreement of approximately \$1.8 million per year for a three year project period (for a total of approximately \$5.4 million), subject to performance and the availability of appropriations

Purpose: To operate the Environmental Education and Training Program

Application deadline: Applications (one original and four copies) must be POSTMARKED no later than Friday, April 28, 1995 and mailed to U.S. EPA, Environmental Education Division (1707), Environmental Education and Training Program, 401 M Street S.W., Washington, D.C. 20460

Award made: By September 29, 1995

II. Purpose of Notice

A. What is the purpose of this notice?

The purpose of this notice is to invite eligible institutions to submit proposals to operate the Environmental Education and Training Program as authorized under section 5 of the National Environmental Education Act of 1990 (the Act) (Pub.L. 101-619).

B. What is the relationship between the Environmental Education and Training Program and the Environmental Education Grants Program?

This notice applies only to the Environmental Education and Training Program as authorized under section 5 of the Act. This notice does not apply to the Environmental Education Grants Program authorized under section 6 of the Act in which EPA funds approximately 250 individual projects annually. To obtain information on the
