

DEPARTMENT OF EDUCATION

Bilingual Education: Comprehensive School Grants

AGENCY: Department of Education.

ACTION: Notice of proposed priority for fiscal year (FY) 1996 and following years.

SUMMARY: The Secretary proposes a priority for FY 1996 and following years under the Bilingual Education: Comprehensive School Grants program authorized in title VII of the Elementary and Secondary Education Act of 1965, as amended (the Act). The Secretary takes this action to implement a provision of the Act by focusing Federal financial assistance on an identified national need. The priority is intended to provide financial assistance to those local educational agencies (LEAs) or LEAs in collaboration with institutions of higher education (IHEs), community-based organizations (CBOs), other LEAs, or a State educational agency (SEA) proposing projects that will serve schools with significant concentrations of limited English proficient (LEP) students.

DATES: Comments must be received on or before April 3, 1995.

ADDRESSES: All comments concerning this proposed priority should be addressed to: Harry Logel, U.S. Department of Education, 600 Independence Ave., SW., Room 5090, Switzer Building, Washington, DC 20202-6510. Telephone: (202) 205-5530. Individuals who use a telecommunications device for the deaf (TDD) may call the Federal Information Relay Service (FIRS) at 1-800-877-8339 between 8 a.m. and 8 p.m., Eastern time, Monday through Friday.

FOR FURTHER INFORMATION CONTACT: Harry Logel. Telephone: (202) 205-5530.

SUPPLEMENTARY INFORMATION: The Comprehensive School Grants program is a new program. Under section 7114(a) of the Act, the purpose of the program is to assist LEAs or LEAs in collaboration with IHEs, CBOs, other LEAs, or an SEA to implement

schoolwide bilingual education programs or special alternative instructional programs for reforming, restructuring, and upgrading all relevant programs and operations, within an individual school, that serve virtually all LEP children and youth in schools with significant concentrations of these children and youth.

To assist those schools with significant concentrations of LEP children and youth, the Secretary proposes to require that to be eligible for funding the project must serve only schools in which the number of LEP students, in each school served, equals at least 25 percent of the total student enrollment. By using a 25 percent threshold the Secretary is targeting those schools in which LEP students constitute a major portion of the school population. The Secretary chose a percentage threshold rather than a number threshold to include schools with small student enrollments. Using the 25 percent threshold, approximately 4,400 schools would be eligible to participate under this program. These numbers are based on data from the Descriptive Study of Services to LEP Students conducted by Development Associates, Inc., in 1993.

The Secretary will announce the final priority for FY 1996 and following years in a notice in the **Federal Register** at a later date. The final priority for FY 1996 and following years will be determined by response to this notice, available funds, and other considerations of the Department. Funding of particular projects depends on the availability of funds, the nature of the final priority, and the quality of the applications received. The publication of this proposed priority does not preclude the Secretary from proposing additional priorities, nor does it limit the Secretary to funding only this priority, subject to meeting applicable rulemaking requirements.

Note: This notice of proposed priority does not solicit applications. A notice inviting applications under this competition for FY 1996 will be published in the **Federal Register** following publication of the notice of final priority. A notice of final priority for FY 1995 for this program is published

elsewhere in this issue of the **Federal Register**.

Priority

Under section 7114(a) of the Act, the Secretary proposes to give an absolute preference to applications that meet the following priority. The Secretary proposes to fund under this competition only applications that meet this absolute priority:

Projects that serve only schools in which the number of LEP students, in each school served, equals at least 25 percent of the total student enrollment.

Intergovernmental Review

This program is subject to the requirements of Executive Order 12372 and the regulations in 34 CFR part 79. The objective of the Executive order is to foster an intergovernmental partnership and a strengthened federalism by relying on processes developed by State and local governments for coordination and review of proposed Federal financial assistance.

In accordance with the order, this document is intended to provide early notification of the Department's specific plans and actions for this program.
