DEPARTMENT OF COMMERCE

International Trade Administration

[A-583-009]

Color Television Receivers, Except for Video Monitors, From Taiwan; Amended Final Results of Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Notice of amendment to final results of antidumping duty administrative review.

SUMMARY: On October 21, 1994, in the case of *Zenith Electronics Corporation v. United States*, Slip-Op 94-170 (*Zenith*), the United States Court of International Trade (the Court) affirmed the Department of Commerce's (the Department's) third results of redetermination on remand and prior

remand determinations of the final results of the first administrative review of the antidumping duty order on color television receivers, except for video monitors, from Taiwan. In accordance with the Court's determination, we are hereby amending the final results of administrative review with respect to one company, Capetronic (BSR) Ltd. (Capetronic), for the period October 19, 1983, through March 31, 1985.

EFFECTIVE DATE: March 3, 1995.

FOR FURTHER INFORMATION CONTACT:

Karin Price or Maureen Flannery, Office of Antidumping Compliance, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone: (202) 482-4733.

SUPPLEMENTARY INFORMATION:

Background

On December 29, 1986, the Department published in the Federal Register (51 FR 46895) the final results of the first administrative review of the antidumping duty order on color television receivers, except for video monitors, from Taiwan, covering the period October 19, 1983, through March 31, 1985.

Subsequent to the Department's final results, Zenith Electronics Corporation (*Zenith*), a domestic producer, alleged before the Court that the Department erred in calculating Capetronic's constructed value. The Court agreed and remanded the issue to the Department to recalculate Capetronic's margin using certain production data on the record. As a result of the recalculation, Capetronic's margin increased from the *de minimis* margin of 0.46 percent to 1.36 percent. The decision became final on October 21, 1994, when the Court issued its final decision on this administrative review in *Zenith*.

Amended Final Results of Review

In its decision in *Timken Co. v. United States*, 893 F.2d 337 (Fed. Cir. 1990) (*Timken*), the United States Court of Appeals for the Federal Circuit (Federal Circuit) held that the

Department must publish notice of a decision of the Court or Federal Circuit which is not "in harmony" with the Department's determination. The Department published that notice with respect to the Court's October 21, 1994, decision in the Federal Register on January 17, 1995 (60 FR 3391). In *Timken*, the Federal Circuit also held that the Department must suspend liquidation until there is a "conclusive" decision in the action. An appeal was filed in this case. However, because no party has appealed an issue which would affect Capetronic, the Department is now publishing Capetronic's new margin in accordance with the Court's final and conclusive decision.

Based on our revised calculations, we have amended our final results of review for Capetronic for the period October 19, 1983, through March 31, 1985. The amended weighted-average margin is 1.36 percent. The Department shall determine, and the Customs Service shall assess, antidumping duties on all appropriate entries. Individual differences between U.S. price and foreign market value may vary from the percentage stated above. The Department will issue appraisal instructions directly to the Customs Service.

This notice is in accordance with section 751(a)(1) of the Act (19 U.S.C. 1675(a)(1)) and § 353.22 of the Department's regulations.

Dated: February 24, 1995.

Susan G. Esserman,
Assistant Secretary for Import Administration.

The MBDC will provide service in the Cincinnati Metropolitan Area. The award number of the MBDC will be 05-10-95008-01.

DATES: The closing date for applications is March 31, 1995. Applications must be received in MBDA's Executive Secretariat on or before March 31, 1995. A pre-application conference will be held on March 14, 1995, at the Federal Building, 550 Main Street, room 8411, Cincinnati, Ohio.

ADDRESSES: U.S. Department of Commerce, Minority Business Development Agency, Executive Secretariat, 14th and Constitution Avenue, NW., room 5073, Washington, DC 20230, (202) 482-3763.

FOR FURTHER INFORMATION CONTACT: David Vega at (312) 353-0182.

SUPPLEMENTARY INFORMATION: Contingent upon the availability of Federal funds, the cost of performance for the first budget period (13 months) from July 1, 1995 to July 31, 1996, is estimated at \$198,971. The total Federal amount is \$169,125 and is composed of \$165,000 plus the Audit Fee amount of \$4,125. The application must include a minimum cost share of 15%, \$29,846 in non-federal (cost sharing) contributions for a total project cost of \$198,971. Cost-sharing contributions may be in the form of cash, client fees, third party in-kind contributions, non-cash applicant contributions or combinations thereof.

The funding instrument for this project will be a cooperative agreement. For those applicants who are not incumbent organizations or who are incumbents that have experienced closure due to a break in service, a 30-day start-up period will be added to their first budget period, making it a 13-month award. Competition is open to individuals, non-profit and for-profit organizations, state and local governments, American Indian tribes and educational institutions.

Applications will be evaluated on the following criteria: The knowledge, background and/or capabilities of the firm and its staff in addressing the needs of the business community in general and, specifically, the special needs of minority businesses, individuals and organizations (45 points), the resources available to the firm in providing business development services (10 points); the firm's approach (techniques and methodologies) to performing the work requirements included in the application (25 points); and the firm's estimated cost for providing such assistance (20 points). An application must receive at least 70% of the points assigned to each evaluation criteria category to be considered programmatically acceptable and responsive. Those applications determined to be acceptable and responsive will then be evaluated by the Director of MBDA. Final award selections shall be based on the number of points received, the demonstrated responsibility of the applicant, and the determination of those most likely to further the purpose of the MBDA program. Negative audit findings and recommendations and unsatisfactory performance under prior Federal awards may result in an application not being considered for award. The applicant with the highest point score will not necessarily receive the award. Periodic reviews culminating in year-to-date evaluations will be conducted to determine if funding for the project should continue. Continued funding will be at the total discretion of MBDA based on such factors as the MBDC's performance, the availability of funds and Agency priorities.

The MBDC shall be required to contribute at least 15% of the total project cost through non-Federal contributions. To assist in this effort, the MBDC may charge client fees for services rendered. Fees may range from \$10 to \$60 per hour based on the gross receipts of the client's business.

Anticipated processing time of this award is 120 days. Executive Order 12372, "Intergovernmental Review of Federal Programs," is not applicable to this program. Federal funds for this project include audit funds for non-CPA recipients. In event that a CPA firm wins the competition, the funds allocated for audits are not applicable. Questions concerning the preceding information can be answered by the contact person indicated above, and copies of application kits and applicable regulations can be obtained at the above address. The collection of information requirements for this project have been approved by the Office of Management

and Budget (OMB) and assigned OMB control number 0640-0006.

SUPPLEMENTARY INFORMATION: On January 6, 1995, the Committee for Purchase From People Who Are Blind or Severely Disabled published notice (60 FR 2083) of proposed additions to the Procurement List.

After consideration of the material presented to it concerning capability of qualified nonprofit agencies to provide the services, fair market price, and impact of the additions on the current or most recent contractors, the Committee has determined that the services listed below are suitable for procurement by the Federal Government under 41 U.S.C. 46-48c and 41 CFR 51-2.4.
