Social Security Administration

Rescission of Social Security Acquiescence Ruling 87-1(6)

AGENCY: Social Security Administration, HHS.

ACTION: Notice of Rescission of Social Security Acquiescence Ruling 87-1(6)—*Webb v. Richardson*, 472 F.2d 529 (6th Cir. 1972).

SUMMARY: In accordance with 20 CFR 404.985(e) and 422.406(b)(2), the Commissioner of Social Security gives notice of the rescission of Social Security Acquiescence Ruling 87-1(6).

EFFECTIVE DATE: March 3, 1995.

FOR FURTHER INFORMATION CONTACT:

Gary Sargent, Litigation Staff, Social Security Administration, 6401 Security Blvd., Baltimore, MD 21235, (410) 965-1695.

SUPPLEMENTARY INFORMATION: A Social Security Acquiescence Ruling explains how we will apply a holding in a decision of a United States Court of Appeals that we determine conflicts with our interpretation of a provision of the Social Security Act or regulations when the Government has decided not to seek further review of the case or is unsuccessful on further review.

As provided by 20 CFR 404.985(e)(2), a Social Security Acquiescence Ruling may be rescinded as obsolete if a circuit court overrules or limits itself on an issue that was the basis of an Acquiescence Ruling.

On January 6, 1987, we issued Acquiescence Ruling 87-1(6) to reflect the holding in *Webb v. Richardson*, 472 F.2d 529 (6th Cir. 1972), that the tribunal that ultimately allows an individual's retirement, survivor's or disability insurance (title II) claim may approve an attorney's fee covering services provided during the entire appeal process (at both the administrative level of review and before the Federal courts) and that such approved fee is limited to 25 percent of the past-due benefits.

On September 14, 1994, the United States Court of Appeals for the Sixth Circuit issued a judgment in *Horenstein v. Secretary of Health and Human Services*, 35 F.3d 261 (6th Cir. 1994) (en banc), in which it overruled *Webb* and joined seven other circuit courts by holding that a tribunal may award attorneys' fees only for the services performed before the tribunal. The Sixth Circuit also held that only fee awards for services performed in Federal courts, not awards for services performed before the Secretary, are limited to 25 percent of past-due benefits. The Sixth Circuit recognized that section 206(b)(1)

of the Social Security Act (the Act) establishes a separate standard for awarding attorneys' fees for services performed in cases before the Federal courts and that those fees may not exceed 25 percent of the total past-due benefits. The Sixth Circuit also recognized that Congress made specific provision under section 206(a)(1) of the Act for awarding reasonable attorneys' fees for services performed before the Secretary at the administrative level, and that these fees are not limited by past-due benefits. Furthermore, the circuit court found that in cases involving court remands the court will set attorneys' fees, limited to 25 percent of past-due benefits, for services performed before it and that the Secretary will separately set reasonable attorneys' fees for the services performed at the administrative level.

Because the Sixth Circuit's judgment in *Horenstein* overruled the holding in *Webb* that resulted in our issuance of Acquiescence Ruling 87-1(6), we are rescinding that Acquiescence Ruling.

Dated: December 28, 1994.

Shirley S. Chater,

Commissioner of Social Security.

Substance Abuse and Mental Health Services Administration

Current List of Laboratories Which Meet Minimum Standards To Engage in Urine Drug Testing for Federal Agencies and Laboratories That Have Withdrawn From the Program

AGENCY: Substance Abuse and Mental Health Services Administration, HHS (Formerly: National Institute on Drug Abuse, ADAMHA, HHS).

ACTION: Notice.

SUMMARY: The Department of Health and Human Services notifies Federal agencies of the laboratories currently certified to meet standards of Subpart C of Mandatory Guidelines for Federal Workplace Drug Testing Programs (59 FR 29916, 29925). A similar notice listing all currently certified laboratories will be published during the first week of each month, and updated to include laboratories which subsequently apply for and complete the certification process. If any listed laboratory's certification is totally suspended or

revoked, the laboratory will be omitted from updated lists until such time as it is restored to full certification under the Guidelines.

If any laboratory has withdrawn from the National Laboratory Certification Program during the past month, it will be identified as such at the end of the current list of certified laboratories, and will be omitted from the monthly listing thereafter.

FOR FURTHER INFORMATION CONTACT: Mrs. Giselle Hersh, Division of Workplace Programs, Room 13A-54, 5600 Fishers Lane, Rockville, Maryland 20857; Tel.: (301) 443-6014.

SUPPLEMENTARY INFORMATION: Mandatory Guidelines for Federal Workplace Drug Testing were developed in accordance with Executive Order 12564 and section 503 of Pub. L. 100-71. Subpart C of the Guidelines, "Certification of Laboratories Engaged in Urine Drug Testing for Federal Agencies," sets strict standards which laboratories must meet in order to conduct urine drug testing for Federal agencies. To become certified an applicant laboratory must undergo three rounds of performance testing plus an on-site inspection. To maintain that certification a laboratory must participate in a quarterly performance testing program plus periodic, on-site inspections.

Laboratories which claim to be in the applicant stage of certification are *not* to be considered as meeting the minimum requirements expressed in the HHS Guidelines. A laboratory must have its letter of certification from SAMHSA, HHS (formerly: HHS/NIDA) which attests that it has met minimum standards.

In accordance with Subpart C of the Guidelines, the following laboratories meet the minimum standards set forth in the Guidelines:
