SUPPLEMENTARY INFORMATION:

This action has been reviewed and determined not to be a rule or regulation as defined in Executive Order 12866 and Departmental Regulation 1512–1; therefore, the Executive Order and Departmental Regulation do not apply to this action.

Section 7(f)(1) of the United States Grain Standards Act, as amended (Act), authorizes GIPSA'S Administrator, after determining that there is sufficient need for official services, to designate a qualified applicant to provide official services in a specified area after determining that the applicant is qualified and is better able than any other applicant to provide such official services.

Sections 7(f) and 7A of the Act were amended by the U.S. Grain Standards Act Amendments of 1993 (Public Law 103–156) on November 24, 1993, to authorize FGIS' Administrator to conduct pilot programs allowing more than one official agency to provide official services within a single geographic area without undermining the declared policy of the Act. The purpose of the pilot programs is to evaluate the feasibility and impact of allowing more than one official agency to provide official services within a single geographic area.
