SUPPLEMENTARY INFORMATION: On January 6, 1995, the Committee for Purchase From People Who Are Blind or Severely Disabled published notice (60 FR 2083) of proposed additions to the Procurement List.

After consideration of the material presented to it concerning capability of qualified nonprofit agencies to provide the services, fair market price, and impact of the additions on the current or most recent contractors, the Committee has determined that the services listed below are suitable for procurement by the Federal Government under 41 U.S.C. 46-48c and 41 CFR 51-2.4.

Comments were received from counsel for the current contractor, indicating that while the contractor would oppose the addition of a larger portion of the Government requirement to the Procurement List than the Committee proposing, it has no objection to the addition as proposed because it would not have a serious impact on the contractor's business. Accordingly, the Committee has concluded that this addition would not have a severe adverse impact on the current contractor.

qualified nonprofit agencies to provide the commodities, fair market price, and impact of the addition on the current or most recent contractors, the Committee has determined that the commodities listed below are suitable for procurement by the Federal Government under 41 U.S.C. 46-48c and 41 CFR 51-2.4.

Procurement List; Additions

AGENCY: Committee for Purchase From People Who Are Blind or Severely Disabled.

ACTION: Additions to the Procurement List.

SUMMARY: This action adds to the Procurement List chemical protective drawers and undershirts to be furnished by nonprofit agencies employing persons who are blind or have other severe disabilities.

EFFECTIVE DATE: April 3, 1995.

ADDRESSES: Committee for Purchase From People Who Are Blind or Severely Disabled, Crystal Square 3, Suite 403, 1735 Jefferson Davis Highway, Arlington, Virginia 22202-3461.

SUPPLEMENTARY INFORMATION: On November 14, 1994, the Committee for Purchase From People Who Are Blind or Severely Disabled published notice (59 F.R. 56467) of proposed addition to the Procurement List.

Comments were received from two contractors. Both of the commenters helped develop similar underwear for another Federal customer, and both have received contracts to supply that underwear to Federal agencies other than the Marine Corps. One has a sizeable contract with another Department of Defense agency at this time.

The contractor that does not currently have a contract argued that the Committee should not add 100% of the Marine Corps requirement to its Procurement List. The contractor contended that adding 100% would preclude it from having the opportunity to secure future contracts for the underwear, thereby preventing it from securing production work to cover its R&D expenditures. This contractor also questioned the capability of the nonprofit agency proposed to develop and supply the Marine Corps underwear, citing the difficulty of manufacturing such items and the failures of all except two contractors involved in developing the existing underwear.

Because no contractor is guaranteed to receive a contract under the competitive bidding system, the Committee does not normally consider loss of the opportunity to bid on subsequent
