Department of the Air Force**Notice of Intent to Prepare an Environmental Assessment for the Disposal and Reuse of Newark AFB, OH**

The United States Air Force is issuing this notice to advise the public that the Air Force intends to prepare an environmental assessment (EA) to assess the potential environmental impacts of the disposal and reuse of Newark AFB

identified for closure under the Base Closure and Realignment Act of 1990 as amended. This notice amends the **Federal Register** Notice of October 28, 1993 which stated that an Environmental Impact Statement (EIS) would be prepared for the disposal and reuse of Newark AFB.

The Air Force conducted a public scoping meeting on May 10, 1994 at the Heath City Hall, Heath, OH. This meeting had been previously publicized in a **Federal Register** Notice dated May 5, 1994. The proposed action is now well-defined and consists of a continuation of the existing activities at Newark AFB under the privatization-in-place initiative which means that the current workload performed by the Air Force will be performed by the private sector. Based on this information, lack of environmental issues raised at the scoping meeting, and environmental baseline data collected to date, preparation of an environmental assessment is reasonable.

The environmental assessment might lead to issuance of a Finding of No Significant Impact (FONSI) if supported by the environmental impact analysis. If significant environmental impacts are identified during the environmental analysis process, an EIS will be prepared. The Air Force will publish another notice in the **Federal Register** notifying the public of the FONSI or of the intent to prepare an EIS.

Please direct requests for further information concerning the Newark AFB disposal and reuse environmental assessment to: Lt Col Terry D. Armstrong, HQ AFCEE/EC, 8106 Chennault Road, Brooks AFB, TX 78235-5318, (210) 536-3907

List of Subjects

Environmental Protection, Environmental Impact Statement, Environmental Assessment, US Air Force, Newark AFB, Defense Base Closure and Realignment.

Air Force Federal Register Liaison Officer.
