

orders also authorized FGT to provide firm transportation rate schedule, FTS-2. The initial orders in the Phase III proceedings were issued prior to final resolution of the issues in FGT's restructuring proceeding in Docket No. RS92-16-000. Ordering Paragraph H of the January 15 order provided that "(p)roposed Rate Schedule FTS-2 must comply with any general modifications made by the commission" in FGT's restructuring proceeding. Ordering Paragraph C of the September 15 order required that "Florida Gas shall submit for filing, not less than thirty days and not more than 60 days prior to the proposed effective date or commencement of operations authorized herein, revised tariff sheets in accordance with the Commission's January 15 and April 21 orders and this order." On October 28, 1994, FGT filed revised tariff sheets to implement the new FTS-2 transportation service in compliance with the settlement and the above-referenced orders (October 28 Filing).

On January 31, 1994, the Commission issued its Order Accepting Tariff Sheets, Subject to Conditions, Accepting and Suspending Other Tariff Sheets, Subject to Conditions, and Rejecting Tariff Sheets (January 31 order). The January 31 order addressed FGT's October 28 filing, as well as FGT's general Section 4 rates case filed on December 30, 1994 (Section 4 filing). The January 31 order accepted, subject to conditions, those portions of the October 28 filing which the Commission determined to be directly related to the implementation of FGT's Phase III service to be effective March 1, 1995, or upon the in-service date of the Phase III Expansion, whichever was later. The remaining portions of the October 28 filing were rejected without prejudice to their inclusion in the Section 4 filing and a merits determination in the review of that filing. FGT states that the instant filing is submitted to comply with the January 31 order as it relates to the October 28 filing. FGT states that compliance with that portion of the January 31 order addressing the Section 4 filing will be filed under separate cover letter.

Any person desiring to protest said filing should file a protest with the Federal Energy Regulatory Commission, 825 North Capitol Street, NE., Washington, DC 20426, in accordance with Rule 211 of the Commission's Rules of Practice and Procedure 18 CFR 385.211. All such protests should be filed on or before March 7, 1995. Protests will be considered by the Commission in determining the appropriate action to be taken, but will

not serve to make protestants parties to the proceeding. Copies of this filing are on file with the Commission and are available for public inspection.

KGPC states that as a result of one year of experience under Order No. 636 and subsequent Commission orders modifying certain requirements and responsibilities of interstate natural gas pipelines, KGPC is revising its Tariff to clarify current practices, and to institute modifications to improve the administration of its system in the new operational environment. Specifically, KGPC submits the above referenced tariff sheets to provide for fuel discounts, to amend the Firm Storage Service (FSS) and Interruptible Storage Service (ISS) rate schedules to modify the treatment of gas remaining in storage at the expiration of the contract and to clarify excess withdrawal capability, to update certain provisions to conform to current practices regarding sales service, nominations, imbalance resolution, supplemental points, recording of telephone conversations, and Predetermined Allocation Agreements. Additionally, KGPC submits other sheets to update its tariff pursuant to Commission Order No. 563 *et seq.* and Order No. 636 *et seq.*, and to correct miscellaneous errors and cross references, as explained in the application which is on file with the Commission.

KGPC also states that the revised tariff sheets are being served upon all its customers, State Commissions, and other interested parties.

Any person desiring to be heard or to protest said filing should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 825 North Capitol Street, NE., Washington, DC 20426, in accordance with §§ 385.214 and 385.211 of the Commission's regulations. All such motions or protests should be filed on or before March 7, 1995. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection.
