Department of the Air Force

Notice of Intent to Prepare an Environmental Assessment for the Disposal and Reuse of Newark AFB, OH

The United States Air Force is issuing this notice to advise the public that the Air Force intends to prepare an environmental assessment (EA) to assess the potential environmental impacts of the disposal and reuse of Newark AFB

identified for closure under the Base Closure and Realignment Act of 1990 as amended. This notice amends the **Federal Register** Notice of October 28, 1993 which stated that an Environmental Impact Statement (EIS) would be prepared for the disposal and reuse of Newark AFB.

The Air Force conducted a public scoping meeting on May 10, 1994 at the Heath City Hall, Heath, OH. This meeting had been previously publicized in a **Federal Register** Notice dated May 5, 1994. The proposed action is now well-defined and consists of a continuation of the existing activities at Newark AFB under the privatization-in-place initiative which means that the current workload performed by the Air Force will be performed by the private sector. Based on this information, lack of environmental issues raised at the scoping meeting, and environmental baseline data collected to date, preparation of an environmental assessment is reasonable.

The environmental assessment might lead to issuance of a Finding of No Significant Impact (FONSI) if supported by the environmental impact analysis. If significant environmental impacts are identified during the environmental analysis process, an EIS will be prepared. The Air Force will publish another notice in the **Federal Register** notifying the public of the FONSI or of the intent to prepare an EIS.

Please direct requests for further information concerning the Newark AFB disposal and reuse environmental assessment to: Lt Col Terry D. Armstrong, HQ AFCEE/EC, 8106 Chennault Road, Brooks AFB, TX 78235-5318, (210) 536-3907

AGENCY: Department of the Navy, DOD.
ACTION: Notice.

SUMMARY: This Notice provides information regarding the redevelopment authority that has been established to plan the reuse of the Naval Air Station, Agana, Guam, the surplus property that is located at that base closure site, and the timely election by the redevelopment authority to proceed under new procedures set forth in the Base Closure Community Redevelopment and Homeless Assistance Act of 1994.

SUPPLEMENTARY INFORMATION: In 1993, the Naval Air Station, Agana, Guam was designated for closure pursuant to the Defense Base Closure and Realignment Act of 1990, Public Law 101-510, as amended. Pursuant to this designation, the majority of the land and facilities at this installation were on October 14, 1994, declared surplus to the federal government and available for use by (a) non-federal public agencies pursuant to various statutes which authorize conveyance of property for public projects, and (b) homeless provider groups pursuant to the Stewart B. McKinney Homeless Assistance Act (42 U.S.C. 11411), as amended.

Election To Proceed Under New Statutory Procedures

Subsequently, the Base Closure Community Redevelopment and Homeless Assistance Act of 1994 (Public Law 103-421) was signed into law. On December 20, 1994, the Governor of Guam submitted a timely request to proceed under the new procedures. Accordingly, this notice of information regarding the redevelopment authority fulfills the **Federal Register** publication requirement of Section 2(e)(3) of the Base Closure Community Redevelopment and Homeless Assistance Act of 1994.

Also, pursuant to paragraph (7)(B) of Section 2905(b) of the Defense Base Closure and Realignment Act of 1990, as amended by the Base Closure Community Redevelopment and
