

The Corporation, through the PLC, seeks information and input regarding the planning, development, implementation, and evaluation of leadership development and leadership training programs.

DATES: The Corporation seeks the participation of the public in this process until April 7, 1995.

ADDRESSES: Responses to this notice should be mailed to the Presidio Leadership Center, P.O. Box 2995, The Presidio of San Francisco, CA 94129.

FOR FURTHER INFORMATION CONTACT: The Presidio Leadership Center, at (415) 744-3016. For individuals with disabilities, the information contained in this notice will be made available in alternative formats, upon request.

SUPPLEMENTARY INFORMATION: The Corporation is a government corporation that engages Americans of all ages and backgrounds in community-based service. This service addresses the nation's education, public safety, human, and environmental needs to achieve direct and demonstrable results. In doing so, the Corporation fosters civic responsibility, strengthens the ties that bind us together as a people, and provides education opportunity for those who make a substantial commitment to service.

Pursuant to the National and Community Service Act of 1990, as amended, 42 U.S.C. 12501, the Corporation may "conduct, directly or by grant or contract, appropriate training programs" to promote leadership development in national service programs. The Corporation has established the Presidio Leadership Center (PLC) to carry out this objective. The goals of the PLC's leadership development program include the following:

- (1) To bring together people of diverse viewpoints in the field to exchange ideas and practices;
- (2) To identify and develop leaders at various levels in the field;
- (3) To create a sense of professional identity and purpose among leaders working at all levels in the national service field;
- (4) To teach effective communication, problem-solving, decision-making, and management; and
- (5) To extend and cement the infrastructure of the national service movement.

The PLC seeks input from persons and organizations with expertise in leadership training and development on how it can most effectively achieve the above-listed goals.

Dated: March 3, 1995.

Terry Russell,

General Counsel.

DEPARTMENT OF DEFENSE

General Services Administration

National Aeronautics and Space Administration

[OMB Control No. 9000-0102]

Clearance Request for Prompt Payment

AGENCIES: Department of Defense (DOD), General Services Administration (GSA), and National Aeronautics and Space Administration (NASA).

ACTION: Notice of request for an extension to an existing OMB clearance (9000-0102).

SUMMARY: Under the provisions of the Paperwork Reduction Act of 1980 (44 U.S.C. 3501), the Federal Acquisition Regulation (FAR) Secretariat has submitted to the Office of Management and Budget (OMB) a request to review and approve an extension of a currently approved information collection requirement concerning Prompt Payment.

FOR FURTHER INFORMATION CONTACT: Beverly Fayson, Office of Federal Acquisition Policy, GSA (202) 501-4755.

SUPPLEMENTARY INFORMATION:

A. Purpose

Part 32 of the Federal Acquisition Regulation (FAR) and the clause at FAR 52.232-5, Payments Under Fixed-Price Construction Contracts, require that contractors under fixed-price construction contracts certify, for every progress payment request, that payments to subcontractors/suppliers have been made from previous payments received under the contract and timely payments will be made from the proceeds of the payment covered by the certification, and that this payment request does not include any amount which the contractor intends to withhold from a subcontractor/supplier. Part 32 of the FAR and the clause at 52.232-27, Prompt Payment for Construction Contracts, further require that contractors on construction contracts:

- (a) Notify subcontractors/suppliers of any amounts to be withheld and furnish a copy of the notification to the contracting officer;

- (b) Pay interest to subcontractors/suppliers if payment is not made by 7 days after receipt of payment from the Government or within 7 days after correction of previously identified deficiencies;

- (c) Pay interest to the Government if amounts are withheld from subcontractors/suppliers after the Government has paid the contractor the amounts subsequently withheld, or if the Government has inadvertently paid the contractor for nonconforming performance; and

- (d) Include a payment clause in each subcontract which obligates the contractor to pay the subcontractor for satisfactory performance under its subcontract not later than 7 days after such amounts are paid to the contractor, include an interest penalty clause which obligates the contractor to pay the subcontractor an interest penalty if payments are not made in a timely manner, and include a clause requiring each subcontractor to include these clauses in each of its subcontracts and to require each of its subcontractors to include similar clauses in their subcontracts.

These requirements are imposed by Pub. L. 100-496, the Prompt Payment Act Amendments of 1988.

Contracting officers will be notified if the contractor withholds amounts from subcontractors/suppliers after the Government has already paid the contractor the amounts withheld. The contracting officer must then charge the contractor interest on the amounts withheld from subcontractors/suppliers. Federal agencies could not comply with the requirements of the law if this information were not collected.

B. Annual Reporting Burden

Public reporting burden for this collection of information is estimated to average .33 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to General Services Administration, FAR Secretariat, 18th & F Streets, NW, Room 4037, Washington, DC 20405, and to the FAR Desk Officer, Office of Information and Regulatory Affairs, Office of Management and Budget, Washington, DC 20503.

The annual reporting burden is estimated as follows: Respondents, 4,000; responses per respondent, 3; total annual responses, 12,000; preparation

hours per response, .33; and total response burden hours, 4,000.

C. Annual Recordkeeping Burden

The annual recordkeeping burden is estimated as follows: Recordkeepers, 20,000; hours per recordkeeper, 18; and total recordkeeping burden hours, 360,000.

Obtaining Copies of Proposals

Requester may obtain copies of OMB applications or justifications from the General Services Administration, FAR Secretariat (VRS), Room 4037, Washington, DC 20405, telephone (202) 501-4755. Please cite OMB Control No. 9000-0102, Prompt Payment, in all correspondence.

Dated: March 2, 1995.

Beverly Fayson,
FAR Secretariat.

Clearance Request for Termination Settlement Proposal Forms—FAR (Standard Forms 1435 Through 1440)

AGENCIES: Department of Defense (DOD), General Services Administration (GSA), and National Aeronautics and Space Administration (NASA).

ACTION: Notice of request for an extension to an existing OMB clearance (9000-0012).

SUMMARY: Under the provisions of the Paperwork Reduction Act of 1980 (44 U.S.C. 3501), the Federal Acquisition Regulation (FAR) Secretariat has submitted to the Office of Management and Budget (OMB) a request to review and approve an extension of a currently approved information collection requirement concerning Termination Settlement Proposal Forms—FAR (Standard Forms 1435 through 1440).

FOR FURTHER INFORMATION CONTACT: Beverly Fayson, Office of Federal Acquisition Policy, GSA (202) 501-4755.

SUPPLEMENTARY INFORMATION:

A. Purpose

The termination settlement proposal forms (Standard Forms 1435 through 1440) provide a standardized format for listing essential cost and inventory information needed to support the terminated contractor's negotiation

position. Submission of the information assures that a contractor will be fairly reimbursed upon settlement of the terminated contract.

B. Annual Reporting Burden

Public reporting burden for this collection of information is estimated to average 25 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to General Services Administration, FAR Secretariat, 18th & F Streets, NW., Room 4037, Washington, DC 20405, and to the FAR Desk Officer, Office of Information and Regulatory Affairs, Office of Management and Budget, Washington, DC 20503.

The annual reporting burden is estimated as follows: Respondents, 600; responses per respondent, 1; total annual responses, 600; preparation hours per response, 25; and total response burden hours, 15,000.

Obtaining Copies of Proposals

Requester may obtain copies of OMB applications or justifications from the General Services Administration, FAR Secretariat (VRS), Room 4037, Washington, DC 20405, telephone (202) 501-4755. Please cite OMB Control No. 9000-0012, Termination Settlement Proposal Forms—FAR (Standard Forms 1435 through 1440), in all correspondence.

Dated: March 2, 1995.

Beverly Fayson,
FAR Secretariat.

BILLING CODE 6820-34-M

Department of the Navy

Combined Notice of Intent To Prepare and Notice of Preparation for an Environmental Impact Statement for the Disposal and Reuse of the Naval Facilities Engineering Service Center, Formerly the Naval Civil Engineering Laboratory (NCEL) Property and Structures, Port Hueneme, CA

Pursuant to Section 102(2)(c) of the National Environmental Policy Act (NEPA) of 1969 as implemented by the Council on Environmental Quality regulations (40 CFR Parts 1500-1508), the Department of the Navy in coordination with the City of Port Hueneme is preparing an Environmental

Impact Statement (EIS) for the proposed disposal and reuse of the former Naval Civil Engineering Laboratory (NCEL) property and structures at Port Hueneme, California. The Defense Base Closure and Realignment Act (Public Law 101-510) of 1990, as implemented by the 1993 base closure process, directs the Navy to close the former NCEL. The City of Port Hueneme intends to use the EIS in place of an Environmental Impact Report (EIR) pursuant to the California Environmental Quality Act (CEQA) Guidelines Section 15221.

The former NCEL is within the jurisdiction of the City of Port Hueneme, on the California coast midway between the cities of Los Angeles and Santa Barbara, and covers approximately 33 acres. The Navy facility is scheduled for operational closure in April 1996. The property is currently developed with office buildings, laboratory facilities, and an active Coast Guard lighthouse. The EIS will address disposal of the property and the potential impacts associated with reuse alternatives.

The EIS will address the potential impacts to the environment that may result from implementation of three reuse alternatives and a "no action" alternative. An NCEL Community Reuse Plan, developed by the City of Port Hueneme, shall constitute the preferred alternative. The Reuse Plan identifies a mix of three land use types: approximately 22 acres designated for coastal oriented use (such as aquaculture, marine education and training, research and development), 8 acres designated for port-related use (such as container and break-bulk cargo storage, warehousing and distribution of goods) and 3 acres for retention and enhancement of the public access to the Pacific coast shoreline. The second alternative identifies two land use types: approximately 30 acres designated for port-related industrial use and 3 acres public access to the Pacific coast shoreline. The third alternative identifies four land use types: approximately 11 acres designated for aquaculture and commercial visitor-serving (i.e., restaurant), 11 acres designated for educational and recreational, 8 acres designated for port-related uses, 3 acres for public access to the Pacific coast shoreline. The "no action" alternative would consist of federal government retention of the property in an "inactive" status.

Federal, state and local agencies, and interested individuals are encouraged to participate in the scoping process for the EIS to determine the range of issues and reuse alternatives to be addressed. A public scoping meeting to receive oral and written comments will be held on
