### UNITED STATES INFORMATION AGENCY

#### Support to Develop and Facilitate Access to Exchange Opportunities for Post-Secondary International Students

**ACTION:** Notice; request for proposals.

**SUMMARY:** The Advising and Student Services Branch of the United States Information Agency's Bureau of Education and Cultural Affairs announces an open competition for an assistance award. Public or private non-profit organizations or consortia meeting the provisions described in IRS regulation 501(c)(3) may apply to provide an administrative mechanism to develop and facilitate exchanges between post-secondary school students enrolled at institutions in the United States and in other countries of the world. Preference will be given to the organization which maximizes the number of participants from all world regions and presents the most flexible mechanism for administering the exchanges. The applicants must clearly demonstrate how the proposed project differs from traditional "junior year abroad" programs and how it will create accessibility to international exchange for students who otherwise would not be able to have an overseas study experience. USIA anticipates awarding up to \$350,000 to one organization to administer this program.

Overall grant making authority for this program is contained in the Mutual Educational and Cultural Exchange Act of 1961, Pub. L. 87-256, as amended, also known as the Fulbright-Hays Act. The purpose of the Act is "to enable the Government of the United States to increase mutual understanding between the people of the United States and the people of other countries\* \* \*; to strengthen the ties which unite us with other nations by demonstrating the educational and cultural interests, developments, and achievements of the people of the United States and other nations. \* \* \* and thus to assist in the development of friendly, sympathetic and peaceful relations between the United States and the other countries of the world."

Programs and project must conform with Agency requirements and guidelines outlined in the Solicitation Package. The USIA projects and programs are subject to the availability of funds.

**ANNOUNCEMENT NAME AND NUMBER:** All communications with USIA concerning this announcement should refer to the above title and reference number E/ASA-95-13.

**DATES:** Deadline for proposals: All copies must be received at the U.S. Information Agency by 5 p.m. Washington, DC time on Friday, April 21, 1995. Faxed documents will not be accepted, nor will documents postmarked on April 21 but received at a later date. It is the responsibility of

each applicant to ensure that proposals are received by the above deadline.

**FOR FURTHER INFORMATION CONTACT:** Advising and Student Services, E/ASA, Room 349, U.S. Information Agency, 301 4th Street, SW., Washington, DC 20547, Tel: (202) 619-5434, Fax: (202) 401-1433, E-mail: ahatteme@usia.gov, to request a Solicitation Package, which includes all application forms and guidelines for preparing proposals, including specific criteria for preparation of the proposal budget. Please specify the USIA Program Officer, Alexandria Hattemer, on all inquiries and correspondences. Interested applicants should read the complete **Federal Register** announcement before addressing inquiries to E/ASA or submitting their proposals. Once the RFP deadline has passed, E/ASA may not discuss this competition in any way with applicants until the Bureau proposal review process has been completed.

**ADDRESSES:** Applicants must follow all instructions given in the Solicitation Package and send only complete applications to: U.S. Information Agency, Ref.: E/ASA-95-13, Office of Grants Management, E/XE, Room 336, 301 4th Street, SW., Washington, DC 20547.

**SUPPLEMENTARY INFORMATION:** Pursuant to the Bureau's authorizing legislation, programs must maintain a non-political character and should be balanced and representative of the diversity of American political, social, and cultural life. "Diversity" should be interpreted in the broadest sense and encompass differences including but not limited to race, gender, religion, geographic location, socio-economic status, and physical challenges. Applicants are strongly encouraged to adhere to the advancement of this principle.

#### Overview

An ideal proposal should describe an administrative mechanism capable of developing and facilitating exchanges between post-secondary students enrolled at institutions in the United States and their counterparts in Europe, Latin America, the Middle East, South Asia, Africa and East Asia (including Oceania). Numbers of incoming and outgoing students should be approximately equal. A minimum of forty percent of the exchanges must take place outside of Western Europe within a broad range of non-traditional study abroad countries, although preference will be given to applicants who can demonstrate a higher number of non-European exchanges. All world regions must be represented in this program; the
