SECURITIES AND EXCHANGE COMMISSION

Forms Under Review by Office of Management and Budget

Acting Agency Clearance Officer:
David T. Copenhafer (202) 942-8800.

Upon Written Request, Copy Available From: Securities and Exchange Commission, Office of Filings and Information Services, 450 Fifth Street, NW, Washington, DC 20549.

Amendments:

Rule 34b-1—File No. 270-305.

Form N-1A—File No. 270-21.

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1980, 44 U.S.C. 3501, the Securities and Exchange Commission ("Commission") has submitted for OMB approval an amendment to the approval previously granted by the OMB for amendments to rule 34b-1 under the Investment Company Act of 1940 ("Investment Company Act"), 15 U.S.C. 80a, and to Form N-1A under the Investment Company Act and the Securities Act of 1933, 15 U.S.C. 77a. The purpose of the amendment is to reflect (i) the reduced number of burden hours associated with the amendments to Form N-1A, and (ii) that the Commission has determined not to adopt the proposed amendments to rule 34b-1.

In December 1993, the Commission proposed for public comment new rule 18f-3 and amendments to certain other rules and forms, including rule 34b-1 and Form N-1A. In response to comments received on the proposal, the Commission determined to revise certain disclosure requirements that were proposed as amendments to Form N-1A and not to adopt rule 34b-1.

Form N-1A is the registration statement used by open-end management investment companies

other than small business investment companies and insurance company separate accounts. The Form as amended will require substantially less disclosure in the prospectuses of multiple class and master-feeder funds than under the original proposal. The average additional burden to registrants imposed by the amendments to Form N-1A as amended is estimated to be approximately 25 minutes per multiple class or master-feeder fund registrant. The amendment also notes that the number of registrants using Form N-1A has increased to approximately 3,000. Thus, the total annual burden for Form N-1A for all registrants would be 3,188,364 hours.

Rule 34b-1 governs the use of performance information in investment company sales literature. In connection with the proposal, it was estimated that the proposed amendment to rule 34b-1 would impose an average additional burden of 431 hours per respondent each year. Because the Commission has determined not to adopt the proposed amendments, however, this additional burden will not be imposed, and the estimated total burden per respondent will be 3,444 hours.

Direct general comments to the Clearance Officer for the Securities and Exchange Commission at the address below. Direct any comments concerning the accuracy of the estimated average burden hours for compliance with SEC rules and forms to David T. Copenhafer, Acting Director, Office of Information Technology, Securities and Exchange Commission, 450 Fifth Street, NW., Washington, DC 20549, and SEC Clearance Officer, Office of Management and Budget, Paperwork Reduction Project (3235-0307 for Form N-1A and 3235-0346 for rule 34b-1), Room 3208, New Executive Office Building, Washington, DC 20543.

Dated: February 27, 1995.

Jonathan G. Katz,

Secretary.
