Washington Public Power Supply System Nuclear Project, SATSOP, and Richland, WA; Notice of Termination of Investigation

Pursuant to Title V of the North American Free Trade Agreement Implementation Act (P.L. 103-182) concerning transitional adjustment assistance, hereinafter called (NAFTA-TAA), and in accordance with Section 250(a), Subchapter D, Chapter 2, Title II, of the Trade Act of 1974, as amended (19 USC 2273), an investigation was initiated on January 27, 1995 in response to a petition filed on behalf of workers at Washington Public Power Supply WNP-1 located in Richland and WNP-3 located in Satsop, Washington. The investigation revealed that workers of Washington Public Power Supply were certified on January 13, 1995, based on increased imports of articles like or directly competitive and contributed importantly to the declines in sales and production and to total or partial separation of workers at the affiliated companies. Sara Lee Knit Products, Martinsville, VA, Gretna, VA, Morganton, NC; Amended Certification Regarding Eligibility To Apply for NAFTA Transitional Adjustment Assistance

In accordance with Section 250(a), Subchapter D, Chapter 2, Title II, of the Trade Act of 1974, as amended (19 USC 2273), the Department of Labor issued a Certification for NAFTA Transitional Adjustment Assistance on August 5, 1994, applicable to all workers of the several plants and facilities of Sara Lee Knit Products in Martinsville, Virginia.

At the request of the company the Department reviewed the certification

for workers of the subject firm. New findings show that the production at Sara Lee Knit Products in Gretna, Virginia and Morganton, North Carolina was intergrated with that of Martinsville.

Other findings show that company imports from Mexico increased in the first six months of 1994 compared to the same period in 1993. Production ceased at Gretna in September 1994 and at Morganton in February, 1995 when all workers were laid off.

The intent of the Department's certification is to include all workers who were adversely affected by increased imports.

Accordingly, the Department is amending the Martinsville certification to include workers at Gretna, Virginia and Morganton, North Carolina.

The amend notice applicable to NAFTA-00168 is hereby issued as follows:

All workers of the Martinsville, Virginia plants of Sara Lee Knit Products and the Gretna, Virginia and Morganton, North Carolina plants of Sara Lee Knit Products who became totally or partially separated from employment on or after December 8, 1993 are eligible to apply for NAFTA-TAA under Section 250 of the Trade Act of 1994.

Signed at Washington, DC, this 3rd day of March 1995.

Victor J. Trunzo,

Program Manager, Policy and Reemployment Services, Office of Trade Adjustment Assistance.
