Notice of Postponement of Preliminary Antidumping Duty Determination: Certain Partial-Extension Steel Drawer Slides With Rollers From the People's Republic of China

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

EFFECTIVE DATE: March 10, 1995.

FOR FURTHER INFORMATION CONTACT: John Brinkmann (202-482-5288) or Michelle Frederick (202-482-0186), Office of Antidumping Investigations, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230.

POSTPONEMENT OF PRELIMINARY DETERMINATION:

On November 21, 1994, the Department of Commerce ("the Department") initiated an antidumping duty investigation of certain partial-extension steel drawer slides with rollers ("drawer slides") from the People's Republic of China (PRC) (59 FR 60773, November 28, 1994). The notice of initiation stated that if this investigation proceeds normally, the Department would issue its preliminary determination on or before April 9, 1995.

On December 15, 1994, the U.S. International Trade Commission determined that there is a reasonable indication that a U.S. domestic industry is threatened with material injury by reason of imports of drawer slides from the PRC (59 FR 65787, December 21, 1994).

This investigation is rendered extraordinarily complicated by the novel issue of government ownership of exporters of subject merchandise. Furthermore, information available to the Department indicates that there are many producers/exporters of the subject merchandise. The process of identifying all exporters who sold subject merchandise to the United States during the POI caused significant delays in issuing our questionnaire. In addition, we determine at this time that respondent parties in this investigation appear to be cooperating.

For these reasons, pursuant to sections 733(c)(1)(B)(i) (II) and (III) of the Tariff Act of 1930, as amended (the Act), we determine that this investigation is extraordinarily complicated and that additional time is necessary to make the preliminary determination in accordance with 733(c)(1)(B)(ii) of the Act. Therefore, we are postponing our preliminary determination in this investigation until no later than May 30, 1995.

This notice is published pursuant to section 733(c)(2) of the Act of 1930, as amended, and 19 CFR 353.15(d).

Dated: March 3, 1995.

Barbara R. Stafford,

Deputy Assistant Secretary for Investigations, Import Administration.
