**Issuance of Decisions and Orders
During the Week of February 6
Through February 10, 1995**

During the week of February 6 through February 10, 1995 the decisions and orders summarized below were issued with respect to applications for relief filed with the Office of Hearings and Appeals of the Department of Energy. The following summary also contains a list of submissions that were dismissed by the Office of Hearings and Appeals.

Personnel Security Hearing

*Albuquerque Operations Office, 2/9/95,
VSO-0005*

An Office of Hearings and Appeals Hearing Officer issued an opinion concerning the continued eligibility of an individual for access authorization under 10 C.F.R. Part 710, "Criteria and Procedures for Determining Eligibility for Access to Classified Matter or Special Nuclear Material." After considering the record in view of the standards set forth in Part 710, the Hearing Officer found that the DOE Operations Office had presented sufficient derogatory information concerning the individual's abuse of

alcohol, her use of illegal drugs, and her false statements to the DOE concerning her illegal drug use to support its revocation of her access authorization. The Hearing Officer also found that the individual failed to present sufficient evidence of rehabilitation or reformation to mitigate this derogatory information, and that it would be clearly inappropriate to extend the proceeding for a year or more to enable the individual to establish rehabilitation. Finally, the Hearing Officer found that he lacked authority to review the determination of the Office of Security Affairs to deny the individual admission to the Employee Assistance Program Referral Option, and that Executive Order 12564 clearly did not require the DOE to maintain an individual's access authorization pending their completion of a drug rehabilitation program.

Accordingly, the Hearing Officer found that the individual's access authorization should not be restored.

Refund applications

Coca-Cola Co. of Los Angeles, et al., 2/8/95, RC272-268, et al.

The DOE issued a Decision and Order concerning eight Applications for Refund submitted in the Subpart V crude oil refund proceeding by former affiliates of Beatrice Co., Inc.: Coca-Cola Co. of Los Angeles, Beatrice Cheese, Americold (MA), Tropicana Products, Inc., Swift Eckrich, Inc., Americold Corp. (OR), Ozarka Spring Co., and Great Bear Spring Co. The OHA previously granted crude oil refunds to these eight Applicants. We have subsequently found, however, that they were affiliated with Arrowhead

Drinking Water Company (Arrowhead) on August 7, 1986. Arrowhead had filed in the Surface Transporters Stripper Well proceeding. In doing so, Arrowhead had executed a waiver and release waiving its right and the right of its affiliates on August 7, 1986, to receive crude oil overcharge refunds from OHA under Subpart V. Accordingly, this Decision rescinded the refunds granted to the eight applicants.
