DEPARTMENT OF VETERANS AFFAIRS

Privacy Act of 1974; Report of Amended Matching Program

AGENCY: Department of Veterans Affairs.

ACTION: Notice.

Notice is hereby given that the Department of Veterans Affairs (VA) intends to conduct a recurring computer matching program matching Department of Defense (DOD) Defense Manpower Data Center (DMDC) active duty records with VA disability Compensation records.

The goal of this match is to identify VA disability compensation benefit recipients who return to active duty, and to adjust or terminate benefits, if appropriate.

The Department of Veterans Affairs (VA) plans to match records of veterans who receive disability compensation from VA with active duty records

maintained by DOD. The match with DOD will provide VA with data from the Defense Manpower Data Center Data Base. VA will use the data to update the master records of VA beneficiaries receiving disability compensation benefits and to adjust VA benefit payments as prescribed by law. Otherwise, information about a VA beneficiary's return to active duty is obtained from reporting by the beneficiary. The proposed matching program will enable VA to ensure accurate reporting of return to active duty.

Records to be Matched: The VA records involved in the match are the VA system of records, Compensation, Pension, Education and Rehabilitation Records—VA (58 VA 21/22) contained in the Privacy Act Issuances, 1991 compilation, Volume II, pages 967-971 as amended. The DOD records consist of information from the system of records identified as S322.10 DMDC Defense Manpower Data Center Data Base published at 58 FR 10872, February 22, 1993.

In accordance with Title 5 U.S.C. subsection 552a(o)(2) and (r), copies of the agreement are being sent to both Houses of Congress and to the Office of Management and Budget.

This notice is provided in accordance with the provisions of the Privacy Act of 1974 as amended by Public Law 100-503.

The match is estimated to start June 1, 1995, but will start no sooner than 40 days after publication of this Notice in the **Federal Register**, or 40 days after copies of this Notice and the agreement of the parties is submitted to Congress and the Office of Management and Budget, whichever is later, and end not more than 18 months after the agreement is properly implemented by the parties. The involved agencies' Data Integrity Boards (DIB) may extend this match for 12 months provided the agencies certify to their DIBs, within three months of the ending date of the original match, that the matching program will be conducted without change and that the matching program has been conducted in compliance with the original matching program.

ADDRESSES: Interested individuals may comment on the proposed matches by writing to the Director, Compensation and Pension Service (21), Department of Veterans Affairs, 810 Vermont Avenue, NW, Washington, DC 20420.
