

in a three-part medical facility, the other two parts of which are owned by WANC, it would be very difficult to find a buyer other than WANC willing to offer a purchase price as favorable to the Plan as that offered by WANC.

7. In summary, the applicant represents that the proposed transaction satisfies the criteria of section 408(a) of the Act for the following reasons: (1) The Plan will receive a cash purchase price of no less than the Minimum Purchase Price, subject to possible upward adjustment pursuant to the Reappraisals, which the Trustee has determined to be no less than the fair market value of the Property; (2) The Plan will incur no costs or expenses relating to the transaction; (3) The Trustee has determined that retention of the Property would not be in the best interests of the Plan due to the necessity of renovation expenses; and (4) The Trustee has determined that the Plan is unlikely to secure an unrelated buyer willing to pay a purchase price for the Property as favorable to the Plan as the proposed purchase price under the Agreement.

General Information

The attention of interested persons is directed to the following:

(1) The fact that a transaction is the subject of an exemption under section 408(a) of the Act and/or section 4975(c)(2) of the Code does not relieve a fiduciary or other party in interest of disqualified person from certain other provisions of the Act and/or the Code, including any prohibited transaction provisions to which the exemption does not apply and the general fiduciary responsibility provisions of section 404 of the Act, which among other things require a fiduciary to discharge his duties respecting the plan solely in the interest of the participants and beneficiaries of the plan and in a prudent fashion in accordance with section 404(a)(1)(b) of the Act; nor does it affect the requirement of section 401(a) of the Code that the plan must operate for the exclusive benefit of the employees of the employer maintaining the plan and their beneficiaries;

(2) Before an exemption may be granted under section 408(a) of the Act and/or section 4975(c)(2) of the Code, the Department must find that the exemption is administratively feasible, in the interests of the plan and of its participants and beneficiaries and protective of the rights of participants and beneficiaries of the plan;

(3) The proposed exemptions, if granted, will be supplemental to, and not in derogation of, any other provisions of the Act and/or the Code, including statutory or administrative exemptions and transitional rules. Furthermore, the fact that a transaction is subject to an administrative or statutory exemption is not dispositive of whether the transaction is in fact a prohibited transaction; and

(4) The proposed exemptions, if granted, will be subject to the express condition that the material facts and representations contained in each application are true and complete, and that each application accurately describes all material terms of the transaction which is the subject of the exemption.

Signed at Washington, DC, this 8th day of March, 1995.

*Director of Exemption Determinations,
Pension and Welfare Benefits Administration
