**Mellon Bank Corporation, Pittsburgh, Pennsylvania, and Chemical Banking Corporation, New York, New York; Notices to engage in certain Nonbanking Activities**

Mellon Bank Corporation, Pittsburgh, Pennsylvania (Mellon), and Chemical Banking Corporation, New York, New York (Chemical), have applied pursuant to section 4(c)(8) of the Bank Holding Company Act (12 U.S.C. 1843(c)(8)) (BHC Act) and § 225.23(a)(3) of the Board's Regulation Y (12 CFR 225.23(a)(3)), to each acquire a 50 percent interest in a Delaware partnership, Chemical Mellon Shareholder Services, Ridgefield Park, New Jersey (Partnership). Mellon and Chemical would transfer substantially all the assets of their respective shareholder services businesses to Partnership, and Partnership would provide the following services to issuers of equity securities: shareholder account maintenance; dividend disbursement; mailings to equity security holders; annual meeting services; transfer and issuance, as agent, of equity security certificates; investor relations; reorganization services; stock option processing, recordkeeping and account maintenance; restricted securities processing and recordkeeping; stock watch services and proxy solicitation; and dividend reinvestment and stock purchase plan administration. In addition, Partnership would provide "private label" bondholder account maintenance for certain existing customers of Mellon. Chemical and Mellon maintain that the Board previously has determined that the proposed activities are closely related to banking. See 12 CFR 225.25 (b)(3). These activities will be conducted nationwide.

In order to approve the proposal, the Board must determine that the proposed activities to be conducted by Partnership "can reasonably be expected to produce benefits to the public, such as greater convenience, increased competition, or gains in efficiency, that outweigh possible adverse effects, such as undue concentration of resources, decreased or unfair competition, conflicts of interests, or unsound banking practices." 12 U.S.C. 1843(c)(8). Chemical and Mellon believe that the

proposal will produce public benefits that outweigh any potential adverse effects. In particular, Chemical and Mellon maintain that the proposal will enhance competition and enable Chemical and Mellon to offer their customers greater convenience and accessibility. Chemical and Mellon also maintain that their proposal would not diminish competition in light of the qualitative characteristics of the industry.

In publishing the proposal for comment, the Board does not take a position on issues raised by the proposal. Notice of the proposal is published solely to seek the views of interested persons on the issues presented by the application and does not represent a determination by the Board that the proposal meets, or is likely to meet, the standards of the BHC Act. Any comments or requests for hearing should be submitted in writing and received by William W. Wiles, Secretary, Board of Governors of the Federal Reserve System, Washington, D.C. 20551, not later than March 31, 1995. Any request for a hearing on this application must, as required by § 262.3(e) of the Board's Rules of Procedure (12 CFR 262.3(e)), be accompanied by a statement of the reasons why a written presentation would not suffice in lieu of a hearing, identifying specifically any questions of fact that are in dispute, summarizing the evidence that would be presented at a hearing, and indicating how the party commenting would be aggrieved by approval of the proposal.

This application may be inspected at the offices of the Board of Governors, the Federal Reserve Bank of Cleveland, or the Federal Reserve Bank of New York.
