#### Foreign-Trade Zones Board; Foreign-Trade Zone 84—Houston, Texas; Tuboscope Vetco International, Inc., (Steel Tubular Products), Harris County, Texas; Request for Modification of Restriction

A request has been submitted to the Foreign-Trade Zones Board (the Board) by the Port of Houston Authority, grantee of FTZ 84, pursuant to § 400.32(b)(1) of the Board's regulations for modification of the export-only restriction in FTZ Board Order 609 authorizing Subzone 84I at the Tuboscope Vetco International, Inc. (Tuboscope) plant in Harris County,

Texas. It was formally filed on February 8, 1995.

The FTZ Board approved subzone status for the Tuboscope steel tubular products inspection and coating facility in Harris County, Texas, in 1992 (Subzone 84I; Board Order 609; 57 FR 57729; 12/7/92). The approval was subject to a restriction that allowed the use of zone procedures for export activity only.

Tuboscope is now requesting that the export-only restriction be modified so that Customs duties can be deferred while the company conducts activity for the domestic market under zone procedures. The modified restriction would require the company to elect privileged foreign status on all merchandise admitted to the subzone. While the change would not result in significant new Customs savings, it would allow the company to operate the plant under a single inventory control system that meets Customs requirements. The request indicated that the use of zone procedures as proposed would help the facility maintain its international competitiveness.

Public comment on the proposal is invited from interested parties. Submissions (original and 3 copies) shall be addressed to the Board's Executive Secretary at the address below. The closing period for their receipt is May 1, 1995.

A copy of the application and accompanying exhibits will be available for public inspection at the following location: Office of the Executive Secretary, Foreign-Trade Zones Board, U.S. Department of Commerce, Room 3716, 14th and Pennsylvania Avenue, NW., Washington, DC 20230.

Dated: March 6, 1995.

Executive Secretary.

**Notice of Preliminary Negative Determination of Critical Circumstances: Disposable Pocket Lighters From Thailand**

**AGENCY:** International Trade Administration, Import Administration, Department of Commerce.

**EFFECTIVE DATE:** March 15, 1995.

**FOR FURTHER INFORMATION CONTACT:**

David R. Boyland, Office of Countervailing Investigations, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, N.W., Washington, D.C. 20230; telephone (202) 482-4198.

*Preliminary Negative Determination of Critical Circumstances:* The Department of Commerce (the "Department") published its preliminary determination of sales at less than fair value in this investigation on October 24, 1994 (59 FR 53414). On February 1, 1995, petitioner alleged that critical circumstances exist with respect to imports of the subject merchandise. On February 10, 1995, we received data from Thai Merry Co., Ltd. ("Thai Merry"), the respondent in this investigation, on U.S. shipment to the United States.

In accordance with 19 CFR 353.16(b)(2)(ii), when a critical

circumstances allegation is filed later than 20 days before the scheduled date of the preliminary determination, we must issue our preliminary determination no later than 30 days after the allegation is filed.

Section 733(e)(1) of the Act provides that the Department will preliminarily determine that critical circumstances exist if we determine that there is a reasonable basis to believe or suspect:

(A)(i) There is a history of dumping in the United States or elsewhere of the class or kind of merchandise which is the subject of the investigation, or (ii) the person by whom, or for whose account, the merchandise was imported knew or should have known that the exporter was selling the merchandise which is the subject of the investigation at less than its fair value, and

(B) there have been massive imports of the class or kind of merchandise which is the subject of the investigation over a relatively short period.
