COMMODITY FUTURES TRADING COMMISSION

Financial Products Advisory Committee Meeting

This is to give notice, pursuant to section 10(a) of the Federal Advisory Committee Act, 5 U.S.C. App. 2 section 10(a) and 41 CFR 101-6.1015(b), that the Commodity Futures Trading Commission's Financial Products Advisory Committee will conduct a public meeting in the Lower Level Hearing Room (B-1) at the Commission's Washington, DC headquarters located at 2033 K Street, NW., Washington, DC 20581, on March 30, 1995, beginning at 1:30 p.m. and lasting until 5:00 p.m. FPAC members will be meeting to discuss the international competitiveness of the U.S. derivatives industry and the adequacy of the current regulatory structure to meet the needs of U.S. futures exchanges and derivatives market participants vis-a-vis their foreign competitors.

The FPAC will discuss how possible changes in the regulatory framework could help or hinder U.S. competitiveness, including such issues as whether greater regulatory consolidation would ease regulatory burdens; whether increased regulatory oversight of OTC derivatives markets in the U.S. will create a competitive disadvantage for U.S. firms; and the relative strengths and weaknesses of product-based versus institution-based regulation to meet the long term needs of the U.S. derivatives industry. Representatives of key congressional committees have been invited to make presentations and participate in this discussion.

FPAC members will also discuss the strengths and weaknesses of conducting business in the U.S. as compared to other jurisdictions from the perspective of end-users, futures commission merchants, OTC derivative dealers, and managed funds. FPAC will also hear from exchange representatives regarding the competitive challenges created by the growth of foreign futures exchanges. Finally, FPAC will discuss prospects for the development of global standards for derivatives oversight, in the wake of the collapse of Barings PLC.

The purpose of this meeting is to solicit the views of the Committee on these agenda matters. The Advisory Committee was created by the Commodity Futures Trading Commission for the purpose of advising the Commission on the assessment of issues concerning individuals and industries interested in or affected by

financial markets regulated by the Commission. The purposes and objectives of the Advisory Committee are more fully set forth in the April 23, 1993 Charter of the Advisory Committee.

The meeting is open to the public. The Chairman of the Advisory Committee, CFTC Commissioner Sheila C. Bair, is empowered to conduct the meeting in a fashion that will, in her judgment, facilitate the orderly conduct of business. Any member of the public who wishes to file a written statement with the Advisory Committee should mail a copy of the statement to the attention of: the Commodity Futures Trading Commission Financial Products Advisory Committee, c/o Kristyn H. Burnett, 2033 K Street, NW., Washington, DC 20581, before the meeting. Members of the public who wish to make oral statements should also inform Ms. Burnett in writing at the foregoing address at least three business days before the meeting. Reasonable provision will be made, if time permits, for an oral presentation of no more than five minutes each in duration.

Issued by the Commission in Washington, DC, on March 13, 1995.

Jean A. Webb,

Secretary of the Commission.
