Woodward Governor Co., Stevens Point, WI.; Amended Certification Regarding Eligibility to Apply for NAFTA Transitional Adjustment Assistance

In accordance with Section 250(a), Subchapter D, Chapter 2, Title II, of the Trade Act of 1974, as amended (19 U.S.C. 2273), the Department of Labor issued a Certification for NAFTA Transitional Adjustment Assistance on February 3, 1995, applicable to all workers of the Aircraft Controls Group of the subject firm in Stevens Point, Wisconsin. The notice was published in the **Federal Register** on February 14, 1995 (60 FR 8416).

At the request of the State Agency and the company, the Department reviewed the certification for workers of the subject firm. New findings show that some production was in hydromatic controls. The workers were not entirely separately identifiable by product line and the plant will close in 1995. Accordingly, the Department is amending the certification to include all workers at Woodward Governor Company in Stevens Point, Wisconsin.

The intent of the Department's certification is to include all workers who were adversely affected at Woodward Governor Company in Stevens Point, Wisconsin by increased imports.

The amended notice applicable to NAFTA-00319 is hereby issued as follows:

All workers of the Woodward Governor Company, Stevens Point, Wisconsin who became totally or partially separated from employment on or after December 27, 1993 are eligible to apply for NAFTA-TAA under Section 250 of the Trade Act of 1974.

Signed at Washington, D.C., this 3rd day of March 1995.

Victor J. Trunzo,

Program Manager, Policy and Reemployment Services, Office of Trade Adjustment Assistance.
