Foreign-Trade Zones Board

[Docket 8-95]

Foreign-Trade Zone 24—Pittston, PA; Application for Subzone Status J. Schoeneman, Inc., Plant (Wearing Apparel), State Line, PA

An application has been submitted to the Foreign-Trade Zones Board (the Board) by the Eastern Distribution Center, Inc., grantee of FTZ 24, requesting special-purpose subzone status for the apparel manufacturing plant of the J. Schoeneman, Inc. (JSI) (subsidiary of the Plaid Clothing Group, Inc.), located in State Line, Pennsylvania. The application was submitted pursuant to the provisions of the Foreign-Trade Zones (FTZ) Act, as amended (19 U.S.C. 81a-81u), and the regulations of the Board (15 CFR part 400). It was formally filed on March 10, 1995.

This application involves the proposed transfer of subzone activity from JSI's plant (FTZ Subzone 99A) in Wilmington, Delaware, to JSI's new Pennsylvania plant. Subzone status for the company's Wilmington plant was authorized by the Board in 1984 (Subzone 99A; Board Order 257, 49 FR 24757, 6-15-84). The scope of FTZ authority for Subzone 99A is limited to non-manufacturing activity. JSI plans to close the Wilmington facility in 1995 and transfer the activity to its new plant in State Line, Pennsylvania. The activity at the proposed subzone would be the same as that now conducted at the Delaware plant, and no expansion of manufacturing authority is being requested.

The new JSI plant (10 acres, 126,000 sq. ft) is located at 15276 Molly Pitcher Highway (U.S. 11), State Line (Franklin County), Pennsylvania, some 6 miles north of Hagerstown, Maryland. The facility (120 employees) will be used to

store, measure, and cut foreign and domestic fabric into tailored garment pieces that are shipped to other JSI plants for assembly into finished apparel (mens' and boys' suits, sport coats, raincoats, and trousers). Fabrics purchased from abroad (about 35% of total) include wool, silk, polyester, and polyester/wool (duty rates range up to 36.1%).

As is the case at the Delaware plant, FTZ procedures would exempt JSI from Customs duty payments on the foreign status fabric that is reexported from the proposed subzone. On domestic production, JSI would be able to defer duty payments on the foreign fabric until it is formally entered for consumption prior to cutting. No manufacturing would be conducted under FTZ procedures, and the same restrictions that are contained in Board Order 257 would apply at this plant. The application indicates that the savings from zone procedures will continue to help maintain the international competitiveness of JSI's domestic operations.

In accordance with the Board's regulations, a member of the FTZ Staff has been appointed examiner to investigate the application and report to the Board.

Public comment on the application is invited from interested parties. Submissions (original and three copies) shall be addressed to the Board's Executive Secretary at the address below. The closing period for their receipt is May 16, 1995. Rebuttal comments in response to material submitted during the foregoing period may be submitted during the subsequent 15-day period (to May 31, 1995).

A copy of the application and the accompanying exhibits will be available for public inspection at each of the following locations:

We are now revoking the order, based on the fact that this order is no longer of interest to domestic parties.

SUPPLEMENTARY INFORMATION:

Background

On December 9, 1991, the Department published in the **Federal Register** (56 FR 64249) an antidumping duty order on ceiling fans from the PRC (the order). On September 27, 1994, Lasko Metal Products, Inc. (Lasko), the petitioner in this proceeding, submitted a request for a changed circumstances administrative review and revocation of the order on the basis that the order no longer is of interest to the petitioner. On October 14, 1994, Lasko reaffirmed its September 27, 1994, request for the revocation of the order.

On January 17, 1995, the Department published in the **Federal Register** a notice of initiation and preliminary results of changed circumstances review to determine whether to revoke the order. (See Ceiling Fans from the People's Republic of China: Termination of Antidumping Duty Administrative Review, Initiation and Preliminary Results of Changed Circumstances Antidumping Duty Administrative Review, and Intent to Revoke Order, 60 FR 3390.) We found that Lasko's affirmative statement of no interest constitutes good cause for conducting a changed circumstances review. We gave
