

must be expressed both as a dollar amount and as a percentage of the amount of the HUD assistance involved.

If the applicant has no persons with financial interests to disclose, it must certify that this assertion is correct.

5. Part V. Report on Sources and Uses of Funds. This Part is to be completed by both applicants filling applicant disclosure reports and recipients filing update reports.

The applicant disclosure report must specify all expected sources of funds—both from HUD and from any other source—that have been, or are to be, made available for the project or activity. Non-HUD sources of funds typically include (but are not limited to) other government assistance referred to in Part III, equity, and amounts from foundations and private contributions. The report must also specify all expected uses to which funds are to be put. All sources and uses of funds must be listed, if, based on an assessment of all the circumstances involved, there are reasonable grounds to anticipate that the source or use will be forthcoming.

Note that if any of the source/use information required by this report has been provided elsewhere in this application package, the applicant need not repeat the information, but need only refer to the form and location to incorporate it into this report. (It is likely that some of the information required by this report has been provided on SF 424A, and on various budget forms accompanying the application.) If this report requires information beyond that provided elsewhere in the application package, the applicant must include in this report all the additional information required.

Recipients must submit an update report for any change in previously disclosed sources and uses of funds as provided in Section I.D.5., above.

General Instructions—sources of funds.

Each reportable source of funds must indicate:

A. The name and address, city, State, and zip code of the individual or entity making the assistance available. At least one organizational level below the agency name should be included. For example, U.S. Department of Transportation, U.S. Coast Guard; Department of Safety, Highway Patrol.

b. The program name and any relevant identifying numbers, or other means of identification, for the assistance.

C. The type of assistance (e.g., loan, grant, loan insurance).
