Office of Hearings and Appeals

Notice of Cases Filed; Week of February 13 Through February 17, 1995

During the week of February 13 through February 17, 1995, the appeals and applications for exception or other

relief listed in the Appendix to this Notice were filed with the Office of Hearings and Appeals of the Department of Energy. Submissions inadvertently omitted from earlier lists have also been included.

Under DOE procedural regulations, 10 CFR Part 205, any person who will be aggrieved by the DOE action sought in these cases may file written comments on the application within ten days of service of notice, as prescribed in the

procedural regulations. For purposes of the regulations, the date of service of notice is deemed to be the date of publication of this Notice or the date of receipt by an aggrieved person of actual notice, whichever occurs first. All such comments shall be filed with the Office of Hearings and Appeals, Department of Energy, Washington, DC 20585.

Dated: March 13, 1995.

George B. Breznay,
Director, Office of Hearings and Appeals.

Notice of Issuance of Proposed Decision and Order; Week of January 16 Through January 20, 1995

During the week of January 16 through January 20, 1995, the proposed decision and order summarized below

was issued by the Office of Hearings and Appeals of the Department of Energy with regard to an application for exception.

Under the procedural regulations that apply to exception proceedings (10 CFR Part 205, Subpart D), any person who

will be aggrieved by the issuance of a proposed decision and order in final form may file a written notice of objection within ten days of service. For purposes of the procedural regulations, the date of service of notice is deemed to be the date of publication of this Notice or the date an aggrieved person receives actual notice, whichever occurs first.

The procedural regulations provide that an aggrieved party who fails to file a Notice of Objection within the time period specified in the regulations will be deemed to consent to the issuance of the proposed decision and order in final form. An aggrieved party who wishes to contest a determination made in a proposed decision and order must also file a detailed statement of objections within 30 days of the date of service of the proposed decision and order. In the statement of objections, the aggrieved party must specify each issue of fact or law that it intends to contest in any further proceeding involving the exception matter.

Copies of the full text of this proposed decision and order are available in the Public Reference Room of the Office of Hearings and Appeals, Room 1E-234, Forrestal Building, 1000 Independence Avenue, SW., Washington, DC 20585, Monday through Friday, between the hours of 1:00 p.m. and 5:00 p.m., except federal holidays.

Dated: March 13, 1995.

Western Area Power Administration

Central Valley Project, Proposed Non-Federal Funding to Perform Rewindings With Uprates on Three Generators at the Shasta Dam Powerplant

AGENCY: Western Area Power Administration, DOE.

ACTION: Notice of intent to enter into a contract, along with the Department of the Interior, Bureau of Reclamation (Reclamation), to obtain non-Federal funding from Central Valley Project power contractors for maintenance and replacement work, to be performed by Reclamation, on the generators at Shasta Dam Powerplant.

SUMMARY: The Western Area Power Administration (Western) provides notice that non-Federal funding will be obtained for Reclamation to perform rewindings with uprates on three generators at the Shasta Dam Powerplant in order to ensure system reliability. Several Central Valley Project (CVP) power contractors have voluntarily agreed to jointly provide financing to complete the proposed work. All CVP power contractors will be considered if they meet the conditions specified under "Selection Criteria" herein. A list of the CVP power contractors providing funding (Funding Entities) may be requested from Western at the address or telephone provided under "For Further Information Contact" herein.

This notice presents background project information and outlines the terms of the proposed financing agreement and the projected work.

EFFECTIVE DATE: April 19, 1995.
