Western Area Power Administration

Central Valley Project, Proposed Non-Federal Funding to Perform Rewindings With Uprates on Three Generators at the Shasta Dam Powerplant

AGENCY: Western Area Power Administration, DOE.

ACTION: Notice of intent to enter into a contract, along with the Department of the Interior, Bureau of Reclamation (Reclamation), to obtain non-Federal funding from Central Valley Project power contractors for maintenance and replacement work, to be performed by Reclamation, on the generators at Shasta Dam Powerplant.

SUMMARY: The Western Area Power Administration (Western) provides notice that non-Federal funding will be obtained for Reclamation to perform rewindings with uprates on three generators at the Shasta Dam Powerplant in order to ensure system reliability. Several Central Valley Project (CVP) power contractors have voluntarily agreed to jointly provide financing to complete the proposed work. All CVP power contractors will be considered if they meet the conditions specified under "Selection Criteria" herein. A list of the CVP power contractors providing funding (Funding Entities) may be requested from Western at the address or telephone provided under "For Further Information Contact" herein.

This notice presents background project information and outlines the terms of the proposed financing agreement and the projected work.

EFFECTIVE DATE: April 19, 1995.
