Commodity Credit Corporation

Cotton Storage Agreement Fees

AGENCY: Commodity Credit Corporation, USDA.

ACTION: Notice of fees.

SUMMARY: The purpose of this notice is to publish a schedule of fees to be paid to Commodity Credit Corporation (CCC) by cotton warehouse operators requesting to enter into a storage agreement or renew an existing storage agreement in accordance with the regulations governing the Standards for Approval of Warehouses for Cotton or Cotton Linters (7 CFR 1427.1081 *et seq.*).

EFFECTIVE DATE: July 1, 1995.

FOR FURTHER INFORMATION CONTACT: Mr. Steven Closson, Warehouse and Inventory Division, Consolidated Farm Service Agency, United States Department of Agriculture, Room 5968-South Building, P.O. Box 2415, Washington, DC 20013, (202) 720-4018.

SUPPLEMENTARY INFORMATION:

Background

In accordance with the provisions of CCC's Charter Act (15 U.S.C. 714 *et seq.*), CCC enters into storage agreements with private cotton warehouse operators to provide for the storage of commodities owned by CCC or pledged as security to CCC for price support loans.

The regulation, 7 CFR 1427.1088, requires that all non-Federally licensed cotton warehouse operators in States that do not have a Cooperative Agreement with CCC for warehouse examinations and who do not have an existing agreement with CCC for storage

and handling of CCC-owned commodities or commodities pledged to CCC as loan collateral, but who desire such an agreement, must pay an application and inspection fee prior to CCC conducting the original warehouse examination. After the initial examination and upon execution of the CSA, such cotton warehouse operator must pay the annual contract fee prorated for the first year and the full contract fee annually thereafter in advance of the renewal date of the agreement.

Section 1427.1088 also provides that the amount of the contract fee will be determined and announced in the **Federal Register**. The fee schedule remains effective until changed by CCC. No fee schedule currently is in effect and CCC has not collected fees although the Standards for Approval and the Cotton Storage Agreement (CSA) provides for the collection of such fees. The Department of Agriculture has determined that the user fees will now be collected under the United States Warehouse Act from cotton warehouse operators licensed there under. A cotton user fee schedule was announced in the **Federal Register** effective October 1, 1994. CCC has now determined that a CSA contract fee will be collected from cotton warehouse operators having a CSA and not licensed under the United States Warehouse Act. This notice will establish the schedule of Contract Fees.

Determination

The fees set forth herein will be collected by CCC from non-Federally licensed warehouse operators in States which do not have a Cooperative Agreement with CCC for the examination of warehouses and who have entered into a CSA with CCC or who are seeking to enter into a CSA with CCC.

Application and Inspection Fees

The Application and Inspection fee will be computed at the rate of \$65 for each 1,000 bales of storage capacity or fraction thereof, but the fee will be not less than \$130 nor more than \$1,300.

Contract Fees

The contract fees are as follows:
