Federal Bureau of Prisons

Notice of Intent To Prepare a Draft Environmental Impact Statement (DEIS) for the Construction of a Federal Correctional Institution Near Jonesville in Lee County, Virginia

AGENCY: U.S. Department of Justice, Federal Bureau of Prisons.

ACTION: Notice of intent to prepare a draft environmental impact statement (DEIS).

SUMMARY:

Proposed Action

The United States Department of Justice, Federal Bureau of Prisons has determined that a Federal Correctional Institution (FCI) is needed in its system.

The Federal Bureau of Prisons has preliminarily evaluated several sites in Lee County and determined that the Litton Site will be the focus of the DEIS.

The Bureau of Prisons proposes to build and operate a medium-security Federal correctional institution, with an adjacent minimum-security satellite camp, in Lee County, Virginia. The main medium-security facility would provide habitation for approximately 1200 inmates, and approximately 500 inmates at the minimum-security camp. The Bureau of Prisons proposes to build the facility near Jonesville, Virginia, on a portion of 288 acre site located at the junction of U.S. Route 58 and VA Route 638. The site appears to be of sufficient size to provide space for housing, programs, services and support areas as well as administration, and parking.

The Process

In the process of evaluating the site, several aspects will receive detailed examination including: utilities, traffic patterns, noise levels, visual intrusion, threatened and endangered species, cultural resources and socio-economic impacts.

Alternatives

In developing the DEIS, the options of "no action" and "alternative sites" for the proposed facility will be fully and thoroughly examined.

Scoping Process

During the preparation of the DEIS, there will be opportunities for public involvement in order to determine the issues to be examined. A Scoping Meeting will be held at 7:00 p.m. on Thursday, March 30, 1995 at the Lee High School Auditorium. The meeting will be well publicized and will be held at a time which will make it possible for the public and interested agencies or organizations to attend. In addition, public information meetings will be held by representatives of the Bureau of Prisons with interested citizens, officials and community leaders.

DEIS Preparation

Public notice will be given concerning the availability of the DEIS for public review and comment.

ADDRESSES: Questions concerning the proposed action and the DEIS may be directed to: K. Bradley Wiggins, Site Selection Specialist, Federal Bureau of Prisons, 320 First Street, NW., Washington, DC 20534, (202) 514-6470.

Appendix—Supporting Statement for Paperwork Reduction Act Submissions

A. Justification

1. Circumstances that make the collection of information necessary. There are two events which make the collection of the information necessary. The first is the White House Conference on Aging. It would be useful to have information on individuals enrolled in the Senior Community Service Employment Program in time for recommendations/resolutions to be based on factual information.

This survey instrument would provide solid information on the needs of SCSEP enrollees. The second is the reauthorization of the Older Americans Act. The subcommittee has informally indicated they plan hearings in late May/early June. The information would provide positive hard data about the needs of the enrollees as insights to the programs success in meeting those needs.

2. How collected, by whom, how frequently, and for what purpose the information is to be used. This request is for a one-time collection. As indicated above the information will be used for two purposes—the White House Conference on Aging and the
