Tennessee is proposing these amendments in order to provide a new supply aggregation (pooling) service for its customers (SA service). Tennessee requests that the Commission accept the tariff sheets set forth above by May 1, 1995, and suspend the tariff sheets for five months. Tennessee states it will move to put the tariff sheets into effect no later than January 1, 1996, by filing a motion thirty days prior to the effective date.

Any person desiring to be heard or to make any protest with reference to said filing should file a petition to intervene or protest with the Federal Energy Regulatory Commission, 825 North Capitol Street, N.E., Washington, D.C. 20426, in accordance with Sections 211 and 214 of the Commission's Rules of Practice and Procedure, 18 CFR 385.211 and 385.214. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to this proceeding. Any person wishing to become a party must file a petition to intervene. Copies of this filing are on file and available for public inspection.

Transcontinental Gas Pipe Line Corp.; Notice of Tariff Filing

March 20, 1995.

Take notice that on March 17, 1995, Transcontinental Gas Pipe Line Corporation (Transco) tendered for filing as part of its FERC Gas Tariff, Third Revised Volume No. 1, Substitute Second Revised Sheet No. 3740. The proposed effective date of the revised tariff sheet is April 1, 1995.

On March 1, 1995 Transcontinental Gas Pipe Line Corporation (Transco) filed in Docket No. RP95-197-000 a change in rates pursuant to Section 4 of

the Natural Gas Act and Part 154 of the Commission's regulations thereunder (March 1 Filing). As indicated in Section D (a) of the Statement of Nature, Reasons and Basis, Transco proposes to revise the right of first refusal language set forth in Section 48.2 of the General Terms and Conditions of Transco's Volume No. 1 Tariff to state that Transco will solicit bids for a minimum of 5 days and a maximum of 30 days following the date that the terms and conditions for the available capacity are posted on Transco's EBB.

It has come to Transco's attention that Second Revised Sheet No. 3740 included in the March 1 Filing does not reflect such revised language. Therefore, in order to reflect this intended revision to Section 48.2 of the General Terms and Conditions, Transco is submitting in the instant filing Substitute Second Revised Sheet No. 3740 as a replacement for Second Revised Sheet No. 3740.

Transco states that copies of the instant filing are being mailed to those parties which were served with a copy of Transco's March 1 Filing.

Any person desiring to protest said filing should file a protest with the Federal Energy Regulatory Commission, 825 North Capitol Street, N.E. Washington, D.C. 20426, in accordance with 385.211 of the Commission's Rules and Regulations. All such protests should be filed on or before March 27, 1995. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room.

West Texas Gas, Inc.; Notice of Filing

March 20, 1995.

Take notice that on March 15, 1995, West Texas Gas, Inc. (WTG) filed Fourteenth Revised Sheet No. 4 to its FERC Gas Tariff, First Revised Volume No. 1, proposed to be effective April 1, 1995. This tariff sheet and the accompanying explanatory schedules constitute WTG's quarterly PGA filing submitted in accordance with the Commission's purchased gas adjustments regulations. Because the filing reflects a reduction in WTG's purchased gas costs, the company

requested a waiver of Section 154.308 of the regulations in order to allow the proposed tariff sheet to go into effect on less than 30 days notice.

WTG states that copies of the filing were served upon WTG's customers and interested state commissions.

Any person desiring to be heard or to protect said filing should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 825 North Capitol Street, N.E., Washington, D.C. 20426, in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure, 18 CFR 385.211 and 385.214. All such motions or protests should be filed on or before March 27, 1995. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make the protestants parties to the proceeding. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection.
