

operator that desires to increase the number of shipping certificates it may issue for futures delivery may provide additional performance bonds or letters of credit to the Exchange equal to \$1 million.

The primary proposed amendments would specify that the maximum number of shipping certificates that could be issued by a CANYCE-licensed delivery facility will be determined in accordance with a CANYCE specified schedule based on the amount of performance bonds or letters of credit posted with the Exchange. The minimum performance bond would be \$1,000,000, which would permit the facility posting such a bond to issue and have outstanding up to 44 shipping certificates. The schedule specifying the maximum number of shipping certificates that may be issued for given dollar amounts of performance bonds or letters of credit is set forth below:

Amount of performance bond or letter of credit in dollars	Maximum No. of certificates or receipts issuable
1,000,000	44
2,260,000	100
3,760,000	200
5,260,000	300
6,760,000	400
8,260,000	500
9,760,000	600
11,260,000	700

The proposed amendments would require that a licensed delivery facility operator or owner must submit to the Exchange a letter of credit or performance bond issued by a bank, insurance company or other financial institution that is acceptable to the CANYCE. The proposed amendments specify that such bonds or letters of credit must be approved by a special Exchange committee.⁴ The CANYCE also is proposing amendments to certain other Exchange rules to facilitate implementation of the above-noted proposed financial requirements.

The CANYCE indicates that the purpose of the proposed amendments is to better protect the holders of shipping certificates and warehouse receipts against performance failure on the part of a CANYCE-licensed delivery facility and, therefore, increase the confidence

⁴The proposed amendments also would specify that the above-noted special committee shall consist of a minimum of seven and a maximum of ten members, with each member and the committee's chairman being appointed by the CANYCE's President. Under the proposed amendments, the special committee would have authority to decide all matters pertaining to the financial requirements of CANYCE-licensed delivery facilities.

of shipping certificate and warehouse receipt holders in the FCOJ futures market. The Exchange also indicates that the proposed amendments will simplify the contract's financial requirements for CANYCE-licensed delivery facility operators.

Copies of the proposed amendments will be available for inspection at the Office of the Secretariat, Commodity Futures Trading Commission, 2033 K Street NW., Washington, DC 20581. Copies of the amended terms and conditions can be obtained through the Office of the Secretariat by mail at the above address or by telephone at (202) 254-6314.
