

merchandise. The administrative law judge considered the fact that this conduct occurred more than ten years before, but found that Respondent had not acknowledged wrongdoing or expressed any remorse for his misconduct. Judge Bittner concluded that Respondent is unable or unwilling to discharge the responsibilities inherent in a DEA registration, and recommended that his application for registration be denied.

The Deputy Administrator adopts the opinion and recommended ruling, findings of fact, conclusions of law and decision of the administrative law judge in its entirety. Based on the foregoing, the Deputy Administrator concludes that Respondent's registration is inconsistent with the public interest. Accordingly, the Deputy Administrator of the Drug Enforcement Administration, pursuant to the authority vested in him by 21 U.S.C. 823 and 824 and 28 CFR 0.100(b) and 0.104, hereby orders that the application of James C. Graham, M.D., be and it hereby is, denied. This order is effective March 24, 1995.

Dated: March 20, 1995.

#### **Charles L. Sweet, M.D.; Revocation of Registration**

On November 7, 1994, the Deputy Assistant Administrator, Office of Diversion Control, Drug Enforcement Administration (DEA), issued an Order to Show Cause to Charles L. Sweet, M.D., of 219 Broadway, PO. Box 518, Fullerton, Nebraska. The Order to Show Cause proposed to revoke Dr. Sweet's DEA Certificate of Registration, BS2051061, under 21 U.S.C. 824(a)(3), and deny any pending applications for renewal of such registration under 21 U.S.C. 823(f).

The Order to Show Cause was served on Dr. Sweet on November 14, 1994. More than thirty days have passed since the Order to Show Cause was received by Dr. Sweet. The Drug Enforcement Administration has received no response from Dr. Sweet or anyone purporting to represent him.

Pursuant to 21 CFR 1301.54(d), the Deputy Administrator finds that Dr. Sweet has waived his opportunity for a hearing. Accordingly, under the provisions of 21 CFR 1301.54(e) and 1301.57, the Deputy Administrator enters his final order in this matter without a hearing and based on the investigative file.

The Deputy Administrator finds that in 1975, Dr. Sweet's DEA Certificates of Registration, AS4344951 and AS4355168 were retired based on his failure to renew them. As a result of his failure to renew his DEA registrations, Dr. Sweet's Nebraska State controlled substance registration was revoked on June 5, 1989. On June 29, 1989, DEA sent Dr. Sweet a letter of admonition advising him that he could not handle controlled substances until he obtained a DEA registration.

Dr. Sweet subsequently reapplied for DEA and Nebraska controlled substance registrations, and in October 1989, Dr. Sweet was issued DEA Certificate of Registration, BS2051061, as well as a Nebraska controlled substance registration. However, an investigation by the Nebraska Department of Health, Bureau of Examining Boards revealed that between June and October 1989, Dr. Sweet wrote numerous prescriptions for controlled substances when he did not possess either a DEA registration and/or a Nebraska controlled substance registration. As a result, on November 8, 1991, Dr. Sweet's Nebraska controlled substance registration was revoked. In addition, effective October 15, 1992, Dr. Sweet's state license to practice medicine and surgery was also revoked.

The Deputy Administrator finds that as of November 8, 1991, Dr. Sweet's license to handle controlled substances in the State of Nebraska was revoked, and as a result, he is unable to handle controlled substances. The Drug Enforcement Administration cannot register or maintain the registration of a practitioner who is not duly authorized to handle controlled substances in the state in which he conducts his business. 21 U.S.C. 802(21), 823(f) and 824(a)(3). This prerequisite has been consistently upheld. See *James H. Nickens, M.D.*, 57 FR 59847 (1992); *Elliott Monroe, M.D.*, 57 FR 23246 (1992); *Bobby Watts, M.D.*, 53 FR 11919 (1988).

Based on the foregoing, it is clear that Dr. Sweet's DEA Certificate of Registration must be revoked. Accordingly, the Deputy Administrator of the Drug Enforcement Administration, pursuant to the authority vested in him by 21 U.S.C. 823 and 824 and 28 CFR 0.100(b) and 0.104, hereby orders that DEA Certificate of Registration, BS2051061, previously issued to Charles L. Sweet, M.D., be, and it hereby is, revoked and that any pending applications for renewal of such registration be, and they hereby are, denied. This order is effective April 24, 1995.

Dated: March 20, 1995.

## Federal Bureau of Prisons

### Notice of Intent To Prepare a Draft Environmental Impact Statement (DEIS) for the Construction of a Federal Correctional Institution Near Jonesville in Lee County, Virginia

**AGENCY:** U.S. Department of Justice, Federal Bureau of Prisons.

**ACTION:** Notice of intent to prepare a draft environmental impact statement (DEIS).

#### SUMMARY:

#### Proposed Action

The United States Department of Justice, Federal Bureau of Prisons has determined that a Federal Correctional Institution (FCI) is needed in its system.

The Federal Bureau of Prisons has preliminarily evaluated several sites in Lee County and determined that the Litton Site will be the focus of the DEIS.

The Bureau of Prisons proposes to build and operate a medium-security Federal correctional institution, with an adjacent minimum-security satellite camp, in Lee County, Virginia. The main medium-security facility would provide habitation for approximately 1200 inmates, and approximately 500 inmates at the minimum-security camp. The Bureau of Prisons proposes to build the facility near Jonesville, Virginia, on a portion of 288 acre site located at the junction of U.S. Route 58 and VA Route 638. The site appears to be of sufficient size to provide space for housing, programs, services and support areas as well as administration, and parking.

#### The Process

In the process of evaluating the site, several aspects will receive detailed examination including: utilities, traffic patterns, noise levels, visual intrusion, threatened and endangered species, cultural resources and socio-economic impacts.

#### Alternatives

In developing the DEIS, the options of "no action" and "alternative sites" for the proposed facility will be fully and thoroughly examined.

## Scoping Process

During the preparation of the DEIS, there will be opportunities for public involvement in order to determine the issues to be examined. A Scoping Meeting will be held at 7:00 p.m. on Thursday, March 30, 1995 at the Lee High School Auditorium. The meeting will be well publicized and will be held at a time which will make it possible for the public and interested agencies or organizations to attend. In addition, public information meetings will be held by representatives of the Bureau of Prisons with interested citizens, officials and community leaders.

## DEIS Preparation

Public notice will be given concerning the availability of the DEIS for public review and comment.

**ADDRESSES:** Questions concerning the proposed action and the DEIS may be directed to: K. Bradley Wiggins, Site Selection Specialist, Federal Bureau of Prisons, 320 First Street, NW., Washington, DC 20534, (202) 514-6470.

## Appendix—Supporting Statement for Paperwork Reduction Act Submissions

### A. Justification

1. Circumstances that make the collection of information necessary. There are two events which make the collection of the information necessary. The first is the White House Conference on Aging. It would be useful to have information on individuals enrolled in the Senior Community Service Employment Program in time for recommendations/resolutions to be based on factual information.

This survey instrument would provide solid information on the needs of SCSEP enrollees. The second is the reauthorization of the Older Americans Act. The subcommittee has informally indicated they plan hearings in late May/early June. The information would provide positive hard data about the needs of the enrollees as insights to the programs success in meeting those needs.

2. How collected, by whom, how frequently, and for what purpose the information is to be used. This request is for a one-time collection. As indicated above the information will be used for two purposes—the White House Conference on Aging and the
