21 CFR Part 1308

[DEA No. 130P]

Exempt Chemical Preparations

AGENCY: Drug Enforcement Administration, Department of Justice.
ACTION: Interim rule and request for comments.

SUMMARY: This interim rule amends the list of exempt chemical preparations set forth in § 1308.24(i) of Title 21 of the Code of Federal Regulations. This action is in response to DEA's periodic review of the exempt chemical preparation list and of new applications for exemptions filed with DEA. Preparations included in the list are exempted from the application of specific provisions of the Comprehensive Drug Abuse Prevention and Control Act of 1970, and from certain Drug Enforcement Administration Regulations.

EFFECTIVE DATE: March 28, 1995.
 Comments must be submitted on or before April 27, 1995.

ADDRESSES: Comments and objections should be submitted to the Deputy Assistant Administrator, Office of Diversion Control, Drug Enforcement Administration, Washington, DC 20537; Attention: Federal Register Representative/CCR.

FOR FURTHER INFORMATION CONTACT: Howard McClain, Jr., Chief, Drug & Chemical Evaluation Section, Drug Enforcement Administration, Washington, DC 20537, Telephone: (202) 307-7183.

SUPPLEMENTARY INFORMATION: The Controlled Substances Act (CSA) as amended by the Dangerous Drug Diversion Control Act of 1984 authorizes the Attorney General in accordance with 21 U.S.C. 811(g)(3)(B) to exempt from specific provisions of the Act, a compound, mixture, or preparation which contains any controlled substance, which is not for administration to a human being or animal and which is packaged in such form or concentration, or with

adulterants or denaturants, so that, as packaged, it does not present any significant potential for abuse. This authority has been delegated to the Deputy Assistant Administrator, Office of Diversion Control, Drug Enforcement Administration (DEA), 28 CFR 0.104.

The Deputy Assistant Administrator has received application pursuant to § 1308.23 of Title 21 of the Code of Federal Regulations requesting approval of exempt status provided for in 21 CFR 1308.24. The Deputy Assistant Administrator hereby finds that each of the following preparations and mixtures is intended for laboratory, industrial, educational, or special research purposes, is not intended for general administration to man or animal, and either (a) contains no narcotic controlled substances and is packaged in such a form or concentration that the packaged quantity does not present any significant potential for abuse, (b) contains either a narcotic or non-narcotic controlled substance and one or more adulterating or denaturing agents in such a manner, combination, quantity, proportion, or concentration that the preparation or mixture does not present any potential for abuse, or (c) the formulation of such preparation or mixture incorporates methods of denaturing or other means so that the controlled substance cannot in practice be removed, and therefore the preparation or mixture does not present any significant potential for abuse. The Deputy Assistant Administrator further finds that exemption of the following chemical preparations and mixtures is consistent with the public health and safety as well as the needs of the researchers, chemical analysts, and suppliers of these products.

The listing of products in 21 CFR 1308.24(i) may exempt persons who handle them from application of sections 302, 303, 305, 306, 307, 308, 309, 1002, 1003, and 1004 of the Act and § 1301.74 of the regulations. The Deputy Assistant Administrator hereby certifies that these matters will have no significant impact upon small businesses or other entities within the meaning and intent of the Regulatory Flexibility Act, 5 U.S.C. 601 *et seq.*

Accordingly, the Deputy Assistant Administrator certifies this action will have no impact on the ability of small businesses to compete and he therefore determines that no regulatory flexibility analysis is required.

This action has been analyzed in accordance with the principles and criteria contained in Executive Order 12612, and it has been determined that this matter does not have sufficient federalism implications to require the preparation of a Federalism Assessment.

The Office of Management and Budget (OMB) has determined that listings of exempt chemical preparation are exempt from centralized review under Executive Order 12866.
