

DC 20426, in accordance with 18 CFR 385.214 and 385.211 of the Commission's Rules and Regulations. All such motions or protests should be filed on or before March 29, 1995. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection in the public reference room.

BILLING CODE 6717-01-M

**[Docket No. CP95-268-000]**

**Koch Gateway Pipeline Co.; Notice of Request Under Blanket Authorization**

March 21, 1995.

Take notice that on March 17, 1995, as supplemented on March 21, 1995, Koch Gateway Pipeline Company (Koch), P.O. Box 1478, Houston, Texas 77251-1478, filed in Docket No. CP95-268-000 a request pursuant to §§ 157.205 and 157.211 of the Commission's Regulations under the Natural Gas Act (18 CFR 157.205 and 157.211) for approval to construct and operate approximately three miles of six-inch pipeline and a meter/regulator station delivery tap located in DeSoto Parish, Louisiana for delivery of natural gas to International Paper (IP), an end-user, pursuant to Section 7(c) of the Natural Gas Act (NGA), all as more fully set forth in the request which is on file with the Commission and open to public inspection.

Koch requests authorization to construct and operate approximately 15,700 feet of six-inch pipeline and a six-inch meter/regulator station which will connect with Koch's 24-inch Carthage-Sterlington line near Mansfield, Louisiana. Koch states these facilities are required to comply with the terms of a transportation agreement with IP to provide it with 20,000 MMBtu of interruptible service on a peak day.

Koch indicates that it is authorized to provide interruptible transportation to IP in Docket No. ST95-86-000. Koch states that it provides such transportation to IP pursuant to Koch's blanket certificate in Docket No. CP88-6-000. Koch also indicates that the volumes delivered are within IP's certificated entitlement and that Koch's tariff does not prohibit the construction

or operation of the proposed facilities. Koch further indicates that it has sufficient capacity to accomplish the deliveries without detriment or disadvantage to its other customers. It is indicated that the estimated cost of construction is \$640,000.

Any person or the Commission's Staff may, within 45 days of the issuance of the instant notice by the Commission, file pursuant to Rule 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.214), a motion to intervene and pursuant to § 157.205 of the regulations under the Natural Gas Act (18 CFR 157.205), a protest to the request. If no protest is filed within the time allowed therefor, the proposed activities shall be deemed to be authorized effective the day after the time allowed for filing a protest. If a protest is filed and not withdrawn 30 days after the time allowed for filing a protest, the instant request shall be treated as an application for authorization pursuant to Section 7 of the Natural Gas Act.

BILLING CODE 6717-01-M

**[Docket No. CP92-508-007 and RP94-80-007]**

**National Fuel Gas Supply Corp.; Notice of Compliance Filing**

March 22, 1995.

Take notice that on February 28, 1995, National Fuel Gas Supply Corporation (National Fuel), tendered for filing as part of its FERC Gas Tariff, Third Revised Volume No. 1, the following tariff sheets, Substitute Second Revised Sheet Nos. 236 and 237, to be effective July 1, 1994, and Substitute Third Revised Sheet Nos. 236 and 237 to be effective August 24, 1994.

National Fuel states that the tariff sheets are being filed in compliance with the February 13, 1995, order of the Commission requiring it to flow back interruptible services to its SS-1 and SS-2 customers, effective July 1, 1994, when Penn-York Energy Corporation was merged into National Fuel.

National Fuel states that it is serving copies of the filing to its firm customers, state commissions, and other interested parties.

Any persons desiring to protest said filing should file a protest with the Federal Energy Regulatory Commission, 825 North Capitol Street NE., Washington, D.C. 20426, in accordance with Rule 211 of the Commission's Rules of Practice and Procedure (18 CFR 385.211). All such protests should be filed before March 29, 1995. Protests will be considered by the Commission in determining the appropriate action to be taken. Copies of this filing are on file with the Commission and are available for public inspection.
