Take notice that on March 20, 1995, Columbia Gulf Transmission Company (Columbia Gulf), tendered for filing to become part of its FERC Gas Tariff, Second Revised Volume No. 1, the following tariff sheets, to be effective May 1, 1995:

First Revised Sheet No. 375
First Revised Sheet No. 376
First Revised Sheet No. 384
First Revised Sheet No. 385
First Revised Sheet No. 386

Columbia Gulf is tendering for filing revised portions of its "Request for Service—New Agreement" and "Request for Service—Increase in Quantity of an Existing Agreement" forms contained in its FERC Gas Tariff. Columbia Gulf states that the filing is being made in accordance with Order No. 566, which eliminated the requirement in 18 CFR 250.16(b)(1)(ii) that a pipeline include the information required for a Form No. 592 Affiliate Transportation Log in the request for service forms in the pipeline's tariff. Under previous regulations, a pipeline was required to report certain information on Form No. 592 that a pipeline could only obtain through its request for service forms. In Order No. 566, "the Commission is no longer requiring pipelines to report these categories of information, and therefore, a tariff provision requiring shippers to disclose such information is no longer needed."

Columbia Gulf states that copies of its filing have been mailed to all firm customers and affected state regulatory commissions.

Any person desiring to be heard or to protest said filing should file a motion to intervene or a protest with the Federal Energy Regulatory Commission, 825 North Capitol Street, N.E., Washington, D.C. 20426, in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and 385.214). All such motions or protests should be filed on or before March 30, 1995.
