ITC Notification

In accordance with section 735(d) of the Act, we have notified the ITC of our determinations. As our final determinations are affirmative, the ITC will within 45 days determine whether imports of either product are materially injuring, or threaten material injury to, the U.S. industry. In each proceeding, if the ITC determines that material injury,

or threat of material injury does not exist, that proceeding will be terminated and all securities posted will be refunded or cancelled. If, in either proceeding, the ITC determines that such injury does exist, the Department will issue an antidumping duty order for the appropriate proceeding directing Customs officials to assess antidumping duties on all imports of the subject

merchandise entered for consumption on or after the effective date of the suspension of liquidation.

These determinations are published pursuant to section 735(d) of the Act and 19 CFR 353.20(a)(4).

Susan G. Esserman,
Assistant Secretary for Import Administration.

DEPARTMENT OF COMMERCE

Minority Business Development Agency

Native American Business Development Center Applications: Minnesota

AGENCY: Minority Business Development Agency, Commerce.

ACTION: Notice.

SUMMARY: In accordance with Executive Order 11625 and 15 U.S.C. 1512, the Minority Business Development Agency (MBDA) is soliciting competitive applications from organizations to operate its Native American Business Development Center (NABDC).

The purpose of the NABDC is to provide integrated business development services to Native American entrepreneurs. The recipient will provide service in the Minnesota Metropolitan Area. The award number of the NABDC will be 05-10-95006-01.

DATES: The closing date for applications is May 1, 1995. Applications must be received on or before May 1, 1995. Anticipated processing time of this award is 120 days. A pre-application conference will be held at 10:00 a.m., on April 11, 1995, at the Chicago Regional Office, 55 East Monroe Street, Suite 1406, Chicago, Illinois 60603.

ADDRESSES: Completed application packages should be submitted to the U.S. Department of Commerce, Minority Business Development Agency, MBDA Executive Secretariat, 14th and Constitution Avenue, N.W., Room 5073, Washington, D. C. 20230.

FOR FURTHER INFORMATION AND AN APPLICATION PACKAGE, CONTACT: David Vega, Regional Director at (312) 353-0182.

SUPPLEMENTARY INFORMATION: The funding instrument for this project will be a cooperative agreement. Contingent upon the availability of Federal funds, the cost of performance for the first budget period (13 months) from September 1, 1995 to September 30, 1996, is estimated at \$198,971. The total Federal amount is \$169,125 and is

composed of \$165,000 plus the Audit Fee amount of \$4,125. If the recommended applicant is the current incumbent organization, the award will be for 12 months.

Competition is open to individuals, non-profit and for-profit organizations, state and local governments, American Indian tribes and educational institutions. Applications will be evaluated on the following criteria: the experience and capabilities of the firm and its staff in addressing the needs of the business community in general and, specifically, the special needs of Native American businesses, individuals and organizations (45 points), the resources available to the firm in providing business development services (10 points); the firm's approach (techniques and methodologies) to performing the work requirements included in the application (25 points); and the firm's estimated cost for providing such assistance (20 points).

An application must receive at least 70% of the points assigned to each evaluation criteria category to be considered programmatically acceptable and responsive. Those applications determined to be acceptable and responsive will then be evaluated by the Director of MBDA. Final award selections shall be based on the number of points received, the demonstrated responsibility of the applicant, and the determination of those most likely to further the purpose of the MBDA program. Negative audit findings and recommendations and unsatisfactory performance under prior Federal awards may result in an application not being considered for funding. The applicant with the highest point score will not necessarily receive the award.

If an application is selected for funding, MBDA has no obligation to provide any additional future funding in connection with that award. Renewal of an award to increase funding or extend the period of performance is at the total discretion of MBDA.

Executive order 12372, "Intergovernmental Review of Federal Programs," is not applicable to this program. Federal funds for this project include audit funds for non-CPA recipients. In event that a CPA firm wins the competition, the funds allocated for audits are not applicable. The collection of information requirements for this project have been approved by the Office of Management and Budget (OMB) and assigned OMB control number 0640-0006. Questions concerning the preceding information can be answered by the contact person indicated above, and copies of application kits and applicable

regulations can be obtained at the above address.

Pre-Award Activities—Applicants are hereby notified that if they incur any costs prior to an award being made, they do so solely at the risk of not being reimbursed by the Government. Notwithstanding any verbal assurance that an applicant may have received, there is no obligation on the part of the Department of Commerce to cover pre-award activities.

Recipients and subrecipients are subject to all Federal laws, and Federal and Departmental regulations, policies, and procedures applicable to Federal financial assistance awards.

Delinquent Federal Debts—No award of Federal funds shall be made to an applicant who has an outstanding delinquent Federal debt until either the delinquent account is paid in full, repayment schedule is established and at least one payment is received, or other arrangements satisfactory to the Department of Commerce are made.

Name Check Policy—All non-profit and for-profit applicants are subject to a name check review process. Name checks are intended to reveal if any key individuals associated with the applicant have been convicted of or are presently facing criminal charges such as fraud, theft, perjury or other matters which significantly reflect on the applicant's management honesty or financial integrity.

Award Termination—The Departmental Grants Officer may terminate any cooperative agreement in whole or in part at any time before the date of completion whenever it is determined that the award recipient has failed to comply with the conditions of the cooperative agreement. Examples of some of the conditions which can cause termination are failure to meet cost-sharing requirements; unsatisfactory performance of the NABDC work requirements; and reporting inaccurate or inflated claims of client assistance. Such inaccurate or inflated claims may be deemed illegal and punishable by law.

False Statements—A false statement on an application for Federal financial assistance is grounds for denial or termination of funds, and grounds for possible punishment by a fine or imprisonment as provided in 18 U.S.C. 1001.

Primary Applicant Certifications—All primary applicants must submit a completed Form CD-511, "Certifications Regarding Debarment, Suspension and Other Responsibility Matters; Drug-Free Workplace Requirements and Lobbying."
