Appraisals and Property Valuation; Corrections

AGENCY: Office of the Assistant Secretary for Housing-Federal Housing Commissioner, HUD.

ACTION: Final rule; Corrections.

SUMMARY: On October 3, 1994 (59 FR 50456), the Department published in the **Federal Register**, a final rule that established minimum standards for real estate appraisals made by staff, fee panel and contract appraisers in determining the maximum insurable mortgage amount in most HUD/FHA single family (one-to-four family) and multifamily transactions; and established criteria for the selection of appraisers by mortgagees. That rule erroneously revised a nonexistent § 204.3(b), which had previously been removed by the complete revision of 24 CFR part 204 on August 5, 1994 (59 FR 39956). To avoid further confusion, this document removes § 204.3(b).

The October 3 final rule also added a new part 267 to title 24 of the Code of Federal Regulations. This document clarifies and corrects cross-references contained in §§ 267.3(c)(1) and (c)(2).

EFFECTIVE DATE: December 2, 1994.

FOR FURTHER INFORMATION CONTACT: For single family programs: Morris Carter,

Director of the Single Family Development Division, Room 9270, Department of Housing and Urban Development, 451 Seventh Street, SW, Washington, DC 20410-8000, telephone, voice: (202) 708-2720; (TDD) (202) 708-4594. (These are not toll-free numbers.)

For multifamily programs: Linda Cheatham, Director, Office of Insured Multifamily Development, Room 6134, Department of Housing and Urban Development, 451 Seventh Street, SW, Washington, DC 20410-8000, telephone, voice: (202) 708-3000; (TDD) 708-4594. (These are not toll-free numbers).

SUPPLEMENTARY INFORMATION: On August 5, 1994 (59 FR 39956), the Department published in the **Federal Register** a final rule that revised, in its entirety, 24 CFR Part 204. With that revision, only one section (§ 204.1) remained in Part 204.

On October 3, 1994 (59 FR 50456), the Department published a final rule establishing minimum standards for real estate appraisals made by staff, fee panel and contract appraisers in determining the maximum insurable mortgage amount in most HUD/FHA single family (one-to-four family) and multifamily transactions; and establishing criteria for the selection of appraisers by mortgagees. The October 3 rule erroneously revised a nonexistent 24 CFR 204.3(b). It also added a new part 267 to title 24 of the Code of Federal Regulations.

In addition, on December 2, 1994 (59 FR 61800), the Department published a correction document to the October 3 final rule. In the December 2 document, § 267.3 was corrected by removing the paragraph designations for paragraphs (c)(3)(i), (ii), and (iii) of that section, and by running the text together to form a single paragraph (c)(3). The document failed, however, to remove two cross-references to paragraph (c)(3)(iii), which were contained in §§ 267.3(c)(1) and (c)(2).

The purpose of this document is to correct errors made in the October 3, 1994 final rule by removing the revision to § 204.3(b), and by amending § 267.3 to remove cross-references contained in §§ 267.3(c)(1) and (c)(2).

Accordingly, FR Doc. 94-24327, a final rule published in the **Federal Register** on October 3, 1994 (59 FR 50456), is corrected as follows:

§ 204.3 [Amended]

1. On page 50464, in column one, amendatory instruction 6. and § 204.3(b) are removed.

§ 267.3 [Amended]

2. On page 50465, in column one, in § 267.3, paragraph (c)(1) is corrected by

removing the phrase "paragraph (c)(3)(iii) of this section.", and by adding in its place "paragraph (c)(3) of this section."

3. On page 50465, in column one, in § 267.3, paragraph (c)(2) is corrected by removing the phrase "paragraph (c)(3)(iii) of this section.", and by adding in its place "paragraph (c)(3) of this section."

Dated: March 28, 1995.

Assistant General Counsel for Regulations.

Housing Finance Agency Risk-Sharing Program for Insured Affordable Multifamily Project Loans: Conforming Amendment

AGENCY: Office of Assistant Secretary for Housing—Federal Housing Commissioner, HUD.

ACTION: Final rule; Conforming Amendment.

SUMMARY: On December 5, 1994, HUD published a final rule that finalized the standards and procedures of the Housing Finance Agency Risk-Sharing Program for Insured Affordable Multifamily Project Loans, first implemented by a December 3, 1993 interim rule.

The purpose of this final rule is to make a conforming amendment to the December 5, 1994 final rule that will reflect the assumption of environmental review responsibilities by States and units of general local government as provided in an interim rule published by HUD on March 13, 1995.

DATES: May 1, 1995.

FOR FURTHER INFORMATION CONTACT:

Jane Luton, Acting Director, Policies and Procedures Division, Office of Insured Multifamily Housing Development, Room 6116, (202) 708-2556. Hearing- and speech-impaired persons may call (202) 708-4594. (The above listed telephone numbers are not toll-free.)

SUPPLEMENTARY INFORMATION:

I. Background

On December 5, 1994 (59 FR 52514), HUD published a final rule that finalized the standards and procedures of the Housing Finance Agency Risk-

Sharing Program for Insured Affordable Multifamily Project Loans, a program that was implemented by a December 3, 1993 interim rule (58 FR 64032). The preamble to the December 5, 1994 final rule stated that 24 CFR part 266 would be amended upon publication of the changes made to 24 CFR part 58 (See 59 FR 62517, column one).

On March 13, 1995 (60 FR 13518) HUD published an interim rule amending 24 CFR part 58, entitled "Environmental Review Procedures for Recipients Assuming HUD Responsibilities." Section 58.1(c)(8) of the March 13, 1995 interim rule adds the FHA Multifamily Housing Finance Agency Risk Sharing Pilot Program under section 542(c) of the Housing and Community Development Act of 1992 as one of the programs and activities for which States and units of general local government are authorized to assume responsibility of environmental review (in lieu of HUD).

Accordingly, § 266.210(b) of the December 5, 1994 final rule, which identifies environmental reviews as a HUD-retained review function, is amended by this final rule to be consistent with § 58.1(c)(8) of the March 13, 1995 interim rule.

II. Justification for Final Rule

In general, the Department publishes a rule for public comment before issuing a rule for effect, in accordance with its own regulations on rulemaking, 24 CFR part 10. However, part 10 does provide for exceptions from that general rule where the agency finds good cause to omit advance notice and public participation. The good cause requirement is satisfied with prior public procedure is "impracticable, unnecessary, or contrary to the public interest." (24 CFR 10.1) The Department finds that good cause exists to publish this rule for effect without first soliciting public comment, in that prior public procedure is unnecessary and contrary to the public interest. In the December 5, 1994 final rule, the public was advised that this amendment would be made to the HFA Risk Sharing rule as soon as the changes to part 58 were made. This rule is also technical in nature, since it makes a conforming amendment to part 266 to make it consistent with the recently issued changes to part 58. Additionally, it is contrary to public interest to first seek public comment before issuing this rule for effect because it is in the interest of the HFA Risk Sharing Program, and the participants and beneficiaries thereof, to be able to utilize as soon as possible the amended environmental review procedures of part 58.
