SUPPLEMENTARY INFORMATION: On August 5, 1994 (59 FR 39956), the Department published in the **Federal Register** a final rule that revised, in its entirety, 24 CFR Part 204. With that revision, only one section (§ 204.1) remained in Part 204.

On October 3, 1994 (59 FR 50456), the Department published a final rule establishing minimum standards for real estate appraisals made by staff, fee panel and contract appraisers in determining the maximum insurable mortgage amount in most HUD/FHA single family (one-to-four family) and multifamily transactions; and establishing criteria for the selection of appraisers by mortgagees. The October 3 rule erroneously revised a nonexistent 24 CFR 204.3(b). It also added a new part 267 to title 24 of the Code of Federal Regulations.

In addition, on December 2, 1994 (59 FR 61800), the Department published a correction document to the October 3 final rule. In the December 2 document, § 267.3 was corrected by removing the paragraph designations for paragraphs (c)(3)(i), (ii), and (iii) of that section, and by running the text together to form a single paragraph (c)(3). The document failed, however, to remove two cross-references to paragraph (c)(3)(iii), which were contained in §§ 267.3(c)(1) and (c)(2).

The purpose of this document is to correct errors made in the October 3, 1994 final rule by removing the revision to § 204.3(b), and by amending § 267.3 to remove cross-references contained in §§ 267.3(c)(1) and (c)(2).

Accordingly, FR Doc. 94-24327, a final rule published in the **Federal Register** on October 3, 1994 (59 FR 50456), is corrected as follows:

§ 204.3 [Amended]

1. On page 50464, in column one, amendatory instruction 6. and § 204.3(b) are removed.

§ 267.3 [Amended]

2. On page 50465, in column one, in § 267.3, paragraph (c)(1) is corrected by

removing the phrase "paragraph (c)(3)(iii) of this section.", and by adding in its place "paragraph (c)(3) of this section."

3. On page 50465, in column one, in § 267.3, paragraph (c)(2) is corrected by removing the phrase "paragraph (c)(3)(iii) of this section.", and by adding in its place "paragraph (c)(3) of this section."

Housing Finance Agency Risk-Sharing Program for Insured Affordable Multifamily Project Loans: Conforming Amendment

The purpose of this final rule is to make a conforming amendment to the December 5, 1994 final rule that will reflect the assumption of environmental review responsibilities by States and units of general local government as provided in an interim rule published by HUD on March 13, 1995.

DATES: May 1, 1995.

SUPPLEMENTARY INFORMATION:

I. Background

On December 5, 1994 (59 FR 52514), HUD published a final rule that finalized the standards and procedures of the Housing Finance Agency Risk-

Sharing Program for Insured Affordable Multifamily Project Loans, a program that was implemented by a December 3, 1993 interim rule (58 FR 64032). The preamble to the December 5, 1994 final rule stated that 24 CFR part 266 would be amended upon publication of the changes made to 24 CFR part 58 (See 59 FR 62517, column one).

On March 13, 1995 (60 FR 13518) HUD published an interim rule amending 24 CFR part 58, entitled "Environmental Review Procedures for Recipients Assuming HUD Responsibilities." Section 58.1(c)(8) of the March 13, 1995 interim rule adds the FHA Multifamily Housing Finance Agency Risk Sharing Pilot Program under section 542(c) of the Housing and Community Development Act of 1992 as one of the programs and activities for which States and units of general local government are authorized to assume responsibility of environmental review (in lieu of HUD).

Accordingly, § 266.210(b) of the December 5, 1994 final rule, which identifies environmental reviews as a HUD-retained review function, is amended by this final rule to be consistent with § 58.1(c)(8) of the March 13, 1995 interim rule.

II. Justification for Final Rule

In general, the Department publishes a rule for public comment before issuing a rule for effect, in accordance with its own regulations on rulemaking, 24 CFR part 10. However, part 10 does provide for exceptions from that general rule where the agency finds good cause to omit advance notice and public participation. The good cause requirement is satisfied with prior public procedure is "impracticable, unnecessary, or contrary to the public interest." (24 CFR 10.1) The Department finds that good cause exists to publish this rule for effect without first soliciting public comment, in that prior public procedure is unnecessary and contrary to the public interest. In the December 5, 1994 final rule, the public was advised that this amendment would be made to the HFA Risk Sharing rule as soon as the changes to part 58 were made. This rule is also technical in nature, since it makes a conforming amendment to part 266 to make it consistent with the recently issued changes to part 58. Additionally, it is contrary to public interest to first seek public comment before issuing this rule for effect because it is in the interest of the HFA Risk Sharing Program, and the participants and beneficiaries thereof, to be able to utilize as soon as possible the amended environmental review procedures of part 58.

III. Other Matters**Impact on the Environment**

A Finding of No Significant Impact with respect to the environment was made in accordance with HUD regulations at 24 CFR part 50 that implement section 102(2)(C) of the National Environmental Policy Act of 1969, 42 U.S.C. 4332, in connection with the HFA Risk Sharing final rule. That Finding of No Significant Impact remains applicable to this technical confirming rule, and is available for public inspection and copying during regular business hours (7:30 a.m. to 5:30 p.m.) in the Office of the Rules Docket Clerk, room 10276, 451 Seventh Street, SW, Washington, DC 20410-0500.

Federalism Impact

The General Counsel, as the Designated Official under section 6(a) of Executive Order 12612, Federalism, has determined that the policies contained in this rule do not have significant impact on States or their political subdivisions since the requirements of the rule are limited to technical amendments necessary to carry out accurately the provisions of programs whose regulations were not amended in the original Consolidated Plan rule.

Impact on the Family

The General Counsel, as the Designated Official under Executive Order 12606, The Family, has determined that this rule does not have potential for significant impact on family formation, maintenance, and general well-being, and, thus is not subject to review under the Order since it is only a technical, confirming rule.

Impact on Small Entities

The Secretary, in accordance with the Regulatory Flexibility Act (5 U.S.C. 605(b)), has reviewed this rule before publication and by approving it certifies that this rule will not have a significant impact on a substantial number of small entities, because it imposes no new burdens on jurisdictions.

Regulatory Agenda

This rule was not listed in the Department's Semiannual Regulatory Agenda published on November 14, 1994 (59 FR 57632, 57641), under Executive Order 12866 and the Regulatory Flexibility Act.
