**Appraisals and Property Valuation; Corrections**

**AGENCY:** Office of the Assistant Secretary for Housing-Federal Housing Commissioner, HUD.

**ACTION:** Final rule; Corrections.

**SUMMARY:** On October 3, 1994 (59 FR 50456), the Department published in the **Federal Register**, a final rule that established minimum standards for real estate appraisals made by staff, fee panel and contract appraisers in determining the maximum insurable mortgage amount in most HUD/FHA single family (one-to-four family) and multifamily transactions; and established criteria for the selection of appraisers by mortgagees. That rule erroneously revised a nonexistent § 204.3(b), which had previously been removed by the complete revision of 24 CFR part 204 on August 5, 1994 (59 FR 39956). To avoid further confusion, this document removes § 204.3(b).

The October 3 final rule also added a new part 267 to title 24 of the Code of Federal Regulations. This document clarifies and corrects cross-references contained in §§ 267.3(c)(1) and (c)(2).

**EFFECTIVE DATE:** December 2, 1994.
