FEDERAL DEPOSIT INSURANCE CORPORATION

Privacy Act of 1974; Amendment to an Existing System of Records

AGENCY: Federal Deposit Insurance Corporation (FDIC).

ACTION: Notice of amendment to an existing system of records—"Municipal Securities Dealers and Government Securities Brokers/Dealers Personnel Records System".

SUMMARY: As part of an ongoing examination of the FDIC's systems of records, the "Municipal Securities Dealers and Government Securities Brokers/Dealers Personnel Records System" has been reviewed for compliance with the Privacy Act, 5 U.S.C. 552a. Numerous minor amendments have been made that will clarify and/or more accurately describe the following elements in this system of records: System location, storage, retrievability, safeguards, and system manager(s) and address.

EFFECTIVE DATE: April 6, 1995.

FOR FURTHER INFORMATION CONTACT: Frederick N. Ottie, Attorney, Office of

the Executive Secretary, FDIC, 550-17th Street NW., Washington, DC 20429, (202) 898-6679.

SUPPLEMENTARY INFORMATION: The FDIC's system of records entitled "Municipal Securities Dealers and Government Securities Brokers/Dealers Personnel Records System" is being amended to clarify and/or more accurately describe its contents. These modifications update language in the system location and the system manager(s) and address elements to reflect organizational changes within the FDIC. Additionally, since records are no longer stored in computerized files maintained on a contract basis with the National Association of Securities Dealers, Inc., that reference is deleted from the system location and retrievability elements. The language of the storage element is reworded to accommodate system maintenance on a mainframe computer system instead of a PC-based system. The retrievability element adds the use of dealer registration numbers and FDIC bank certificate numbers to facilitate retrieval of records in this system. Lastly, the safeguards element is amended to clarify that computerized records are accessed only by authorized personnel with password access.

Accordingly, the FDIC amends the "Municipal Securities Dealers and Government Securities Brokers/Dealers Personnel Records System" to read as follows:

FDIC 30-64-0016

AGENCY: Federal Deposit Insurance Corporation (FDIC).

ACTION: Notice of amendment to an existing system of records—"Secondary Marketing Asset Prospect System" (formerly "Prospective Investor System").

SUMMARY: As part of an ongoing examination of the FDIC's systems of records, the "Prospective Investor System" has been reviewed for compliance with the Privacy Act of 1974, 5 U.S.C. 552a. Numerous minor amendments have been made that will clarify and/or more accurately describe the following elements in this system of records: System name, system location, categories of individuals covered by the system, categories of records in the system, retention and disposal, and system manager(s) and address.

SUPPLEMENTARY INFORMATION: The FDIC's system of records entitled "Prospective Investor System" is being amended to clarify and/or more accurately describe its contents. These modifications include changing the system name to the "Secondary Marketing Asset Prospect System," and updating descriptions in the system location as well as in the system manager(s) and address elements to reflect organizational changes within the FDIC. Additionally, since system coverage only includes individuals who have submitted written notice (not oral notice) of an interest in purchasing (not an intent to purchase) assets, and since there is no qualification requirement for

individuals to be included in the system, existing language identifying categories of individuals covered by the system is amended to reflect those facts. In a similar vein, the description of categories of records in the system is amended to clarify that the system contains information identifying the general geographic location of loans or owned real estate that individuals may be interested in purchasing; that it also contains information relating to whether bids have been submitted on loan sales (but not owned real estate sales); and that it does not include additional information relating to actual bids. Lastly, the retention and disposal element is amended to clarify that backup tapes are maintained in off-line storage and that obsolete data is deleted or destroyed after 15 months.

Accordingly, the FDIC amends the "Prospective Investor System" to read as follows:

FDIC 30-64-0019
