* Land descriptions following the asterisk
 are located wholly or partially within the
 boundaries of the Gila Box Riparian National
 Conservation Area.

The areas described, include both public
 and non-public lands in the application and
 aggregate 13,232.43 acres, more or less, in
 Graham and Greenlee Counties.

Under Title II of Public Law 101–628,
 (Arizona Desert Wilderness Act), a
 portion of the subject land was afforded
 continued protection by virtue of
 designation as the Gila Box Riparian
 National Conservation Area (NCA). This
 action withdrew all Federal lands
 within the NCA from all forms of entry,
 appropriation, or disposal under the
 public land laws; from location, entry,
 and patent under the United States
 mining laws; and from disposition
 under all laws pertaining to mineral and
 geothermal leasing, and all amendments
 thereto. This action negates any need to
 further withdraw the land.

As a result of designation as the Gila
 Box Riparian NCA and deauthorization
 of the Camelsback Dam project, the
 Corps of Engineers requested
 withdrawal application AR–030451 be
 rescinded. All public land located
 outside the boundaries of the NCA are
 open to filings under the public land
 laws and the mining laws. It was
 opened to mineral leasing on February
 28, 1982, (FR Vol. 47, No. 17, page 3623,
 January 26, 1982). Subsequent actions
 are subject to valid existing rights, and
 on lands along the Gila and San
 Francisco Rivers, decisions are pending
 concerning the wild and scenic rivers

designation as recommended in the
 Final Arizona Statewide Wild and
 Scenic Rivers Legislative Environmental
 Impact Statement, approved December
 1994. Upon publication in the **Federal
 Register**, application AR–030451 will be
 cancelled and the records of the Bureau
 of Land Management appropriately
 noted. Casefile AR–030451 will be
 closed.
