Twelfth Revised Sheet No. 30

Tennessee states that copies of the filing were posted in conformance with Section 154.16 of the Commission's Regulations and mailed to all affected customers of Tennessee and interested state regulatory commissions.

Any person desiring to be heard or to protest said filing should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 825 North Capitol Street, NE., Washington, DC 20426, in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and 385.214). All such motions or protests should be filed on or before April 10, 1995. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make the protestants parties to the proceeding. Any person wishing to become a party to the proceeding must file a motion to intervene. Copies of the filing are on file with the Commission and are available for public inspection.

Lois D. Cashell,

Secretary.

Public Water Supervision Program: Program Revisions for the Commonwealth of Massachusetts

AGENCY: U.S. Environmental Protection Agency.

ACTION: Notice.

SUMMARY: Notice is hereby given that the Commonwealth of Massachusetts is revising its approved State Public Water Supervision Primacy Program.

Massachusetts has adopted drinking water regulations for Volatile Organic Chemicals, Synthetic Organic Chemicals, and Inorganic Chemicals (known as Phase II, IIB, and V) in drinking water that correspond to the National Primary Drinking Water Regulations promulgated by EPA on January 30, 1991 (56 FR 3526), July 1, 1991 (56 FR 30266), and July 17, 1992 (57 FR 31776). EPA has determined that the State program revisions are no less stringent than the corresponding Federal regulations. Therefore, EPA has tentatively decided to approve these State program revisions.

All interested parties are invited to request a public hearing. A request for a public hearing must be submitted by May 8, 1995 to the Regional Administrator at the address shown below. Frivolous or insubstantial requests for a hearing may be denied by the Regional Administrator. However, if a substantial request for a public hearing is made by May 8, 1995, a public hearing will be held. If no timely and appropriate request for a hearing is received and the Regional Administrator does not elect to hold a hearing on his own motion, this determination shall become effective May 8, 1995.

Any request for a public hearing shall include the following: (1) The name, address, and telephone number of the individual, organization or other entity requesting a hearing. (2) A brief statement of the requesting person's interest in the Regional Administrator's determination and of information that the requesting person intended to submit at such hearing. (3) The signature of the individual making the request; or, if the request is made on behalf of an organization or other entity, the signature of a responsible official of the organization or other entity.

ADDRESSES: All documents relating to this determination are available for inspection between the hours of 8:00 a.m. and 4:30 p.m. Monday through Friday, at the following offices:

Massachusetts Department of Environmental Protection, Division of Water Supply—9th Floor, One Winter Street, Boston, MA 02108
