[Docket No. RP95-224-000]

#### **ANR Pipeline Co.; Notice of Request for Waiver**

April 4, 1995.

Take notice that on March 31, 1995, ANR Pipeline Company (ANR) requested a waiver of Section 31(c) of its FERC Gas Tariff, Second Revised Volume No. 1, which requires it place into effect a "Deferred Transportation Cost Adjustment" to be effective May 1, 1995.

ANR states that as originally contemplated, the "Deferred Transportation Cost Adjustment" was intended to track ANR's Account No. 858 costs over the prior annual period. However, as a result of orders issued in Docket No. RP94-43-000, the tracker did not go into effect until January 9, 1995. Therefore, ANR states that pursuant to its tariff, an adjustment for this short period would reflect actual cost experience only for the partial month of January 1995. The remainder of the "Deferred Transportation Costs" for the months of February through April, 1995, would be based on estimates.

ANR states that if the "Deferred Transportation Cost Adjustment" were to go into effect on May 1, 1995, based on ANR's estimates, the charge would result in a rate adjustment to the Mainline Area Access rate of \$.0018 when expressed at a 100% load factor. Other transportation related services reflect similar rate adjustments. Rather than implement an adjustment based primarily on estimates, and make further adjustments to reflect actual experience in subsequent Deferred Transportation Cost Adjustment filings,
