[Docket No. FA 92-61-001]

Kentucky Power Co.; Electric Rates: Hearing, Accounting; Order Deferring Hearing Procedures

April 4, 1995.

On November 25, 1994, the Chief Accountant issued a contested audit report, under delegated authority, noting that Kentucky Power Company (Kentucky Power) disagreed with certain recommendations made by the Division of Audits related to Kentucky Power's accounting for amounts billed by an affiliated service company. The Chief Accountant requested that Kentucky Power notify the Commission whether it would agree to dispose of the contested issue under the shortened procedures provided for by Part 41 of the Commission's regulations. *Kentucky Power Co.*, 69 FERC ¶ 62,172; See 18 CFR part 41.

On December 6, 1994, American Electric Power Service Corporation (AEPSC), responding for Kentucky Power, requested that the Commission defer further action on the contested issue pending the completion of a proceeding before the Securities and Exchange Commission (SEC). AEPSC informed the Chief Accountant that the SEC is considering a similar issue in its proposed amendments to Form U-13-60. The American Electric Power Company (AEP) and other registered public utility holding companies have responded to the SEC's request for public comment on this subject in FR Doc. 94-23164. AEPSC indicates that Kentucky Power and the other

jurisdictional AEP system companies may agree to adopt the recommendations of the Division of Audits related to the accounting classification of service company billings depending upon the final order of the SEC.

It is ordered:

(A) Further proceedings concerning the appropriateness of Kentucky Power's practices as discussed in the November 25, 1994, report issued by the Chief Accountant are hereby deferred pending completion of the proceeding before the SEC.

(B) Kentucky Power shall keep the Office of Chief Accountant advised of the status of the proceeding before the SEC. On or before June 30, 1995, and every six months thereafter, Kentucky Power shall provide the Commission a full status report on the proceeding and how it affects the issue raised by the Division of Audits.

(C) This order shall be published in the **Federal Register**.
