### **National Fuel Gas Supply Corporation, et al. Natural Gas Certificate Filings**

April 4, 1995.

Take notice that the following filings have been made with the Commission:

#### **1. National Fuel Gas Supply Corporation**

[Docket No. CP95-284-000]

Take notice that on March 24, 1995, National Fuel Gas Supply Corporation (National), 10 Lafayette Square, Buffalo, New York 14203, filed in Docket No. CP95-284-000 an application pursuant to Section 7(b) of the Natural Gas Act for permission and approval to abandon a natural gas transportation service, authorized in Docket No. CP76-492-031 and -032,<sup>1</sup> all as more fully set forth in the application on file with the Commission and open to public inspection.

National proposes to abandon a transportation service which it provides to UGI Utilities, Inc. (UGI), pursuant to a transportation agreement dated October 3, 1984. National states that the transportation agreement is on file as Rate Schedule X-30 of its FERC Gas Tariff, First Revised Volume No. 2. National further states that the proposed termination is requested due to a written termination notice by UPI dated March 24, 1994, which cites April 1, 1995, as the contractual date of termination.

National states that the service to be abandoned involves the transportation for injection of up to 19,019 Mcf per day on a firm basis and the withdrawal of up to 25,358 Mcf per day on an interruptible basis through National

Fuel's Ellisburg-First Fork pipeline. It is indicated that the service involves gas stored with Penn-York Energy Corporation in the East Independence, West Independence and Beech Hill storage pools in Allegany County, New York.

*Comment date:* April 25, 1995, in accordance with Standard Paragraph F at the end of this notice.

#### **2. Mississippi River Transmission Corporation**

[Docket No. CP95-290-000]

Take notice that on March 30, 1995, Mississippi River Transmission Corporation (MRT), 9900 Clayton Road, St. Louis, Missouri 63214, filed in Docket No. CP95-290-000 a request pursuant to Section 7 of the Natural Gas Act, as amended, and Sections 157.205 and 157.216(b) for authorization to abandon certain lateral lines, sales taps and related facilities and equipment which have been used to serve Illinois Terminal Railroad Company (Terminal Railroad) and Missouri Portland Cement Company (Missouri Portland), pursuant to MRT's blanket authorization issued in Docket No. CP82-489-000, all as more fully described in the request which is on file with the Commission and open for public inspection. MRT also proposes to abandon service to these two customers.

MRT proposes to abandon approximately 60 feet of Line A-108 pipeline in Madison County, Illinois used to serve Terminal Railroad and approximately 2,337 feet of Line A-123 pipeline in St. Louis City, Missouri, used to serve Missouri Portland.

MRT proposes to blind off at the tap valve the metering and regulating stations of Terminal Railroad and Missouri Portland and remove all the above ground facilities. It is further stated that MRT proposes to abandon in place all the underground pipe.

*Comment date:* May 19, 1995, in accordance with Standard Paragraph G at the end of this notice.

#### **3. Colorado Interstate Gas Company**

[Docket No. CP95-293-000]

Take notice that on March 31, 1995, Colorado Interstate Gas Company (CIG), P.O. Box 1087, Colorado Springs, Colorado 80944, filed in Docket No. CP95-293-000 an application pursuant to Section 7(b) of the Natural Gas Act for permission and approval to abandon a firm gas transportation service for Coastal Chem, Inc. (Coastal Chem), which was authorized in Docket No. CP82-483 et. al., all as more fully set forth in the application on file with the Commission and open to public inspection.

CIG states that it proposes to abandon a certificated agreement related to the transportation of natural gas by CIG for Coastal Chem. CIG states that the agreement, dated March 16, 1982, as amended, constitutes CIG's Rate Schedule X-44 of its FERC Gas Tariff, Original Volume No. 2.

CIG states that Coastal Chem has agreed for CIG to terminate the March 16, 1982 transportation agreement. CIG states that it will continue to provide transportation service for Coastal Chem pursuant to its open access certificate.

CIG further states that it does not propose to abandon any facilities as a result of the authorization requested herein and that CIG will continue to use these facilities for open access transportation service.

*Comment date:* April 25, 1995, in accordance with Standard Paragraph F at the end of this notice.

#### **Standard Paragraphs**

F. Any person desiring to be heard or to make any protest with reference to said application should on or before the comment date, file with the Federal Energy Regulatory Commission, Washington, DC. 20426, a motion to intervene or a protest in accordance with the requirements of the Commission's Rules of Practice and Procedure (18 CFR 385.214 or 385.211) and the Regulations under the Natural Gas Act (18 CFR 157.10). All protests filed with the Commission will be considered by it in determining the appropriate action to be taken but will not serve to make the protestants parties to the proceeding. Any person wishing to become a party to a proceeding or to participate as a party in any hearing therein must file a motion to intervene in accordance with the Commission's Rules.

Take further notice that, pursuant to the authority contained in and subject to the jurisdiction conferred upon the Federal Energy Regulatory Commission by Sections 7 and 15 of the Natural Gas Act and the Commission's Rules of Practice and Procedure, a hearing will be held without further notice before the Commission or its designee on this application if no motion to intervene is filed within the time required herein, if the Commission on its own review of the matter finds that a grant of the certificate and/or permission and approval for the proposed abandonment are required by the public convenience and necessity. If a motion for leave to intervene is timely filed, or if the Commission on its own motion believes that a formal hearing is required, further notice of such hearing will be duly given.

<sup>1</sup> See 29 FERC ¶ 61,034, 61,311 (1984).

Under the procedure herein provided for, unless otherwise advised, it will be unnecessary for applicant to appear or be represented at the hearing.

G. Any person or the Commission's staff may, within 45 days after issuance of the instant notice by the Commission, file pursuant to Rule 214 of the Commission's Procedural Rules (18 CFR 385.214) a motion to intervene or notice of intervention and pursuant to § 157.205 of the Regulations under the Natural Gas Act (18 CFR 157.205) a protest to the request. If no protest is filed within the time allowed therefor, the proposed activity shall be deemed to be authorized effective the day after the time allowed for filing a protest. If a protest is filed and not withdrawn within 30 days after the time allowed for filing a protest, the instant request shall be treated as an application for authorization pursuant to section 7 of the Natural Gas Act.

**Kansas and Oklahoma Cities; Notice of  
Informal Technical Conference**

April 5, 1995.

On March 15, 1995, the Kansas and Oklahoma Cities filed an Emergency Complaint and Request for a Declaratory Order relating to Williams Natural Gas Company's proposed Third Right of First Refusal Procedure. Given the short time to act on that filing, an informal technical conference in this matter is scheduled for 1:00 p.m. Tuesday, April 11, 1995, at 810 First Street, N.E., Washington, DC, in a room to be designated at that time. By notice dated March 22, 1995, comments and protests in this proceeding were to be filed April 12, 1995. In light of the technical conference, the comment period is shortened one day to April 11, 1995. Any interested parties attending the technical conference are requested to bring their comments with them.

Questions about the conference should be directed to John M. Robinson, (202) 208-0808, or Ken Niehaus, (202) 208-0398.
