

requiring advice under section 131 of the Trade Act are enacted by Congress prior to completion of the Commission's report, the USTR indicated in the request letter that he will request that the advice with respect to U.S. tariffs be converted to a report under section 131. If trade agreement negotiating and legislative procedures requiring advice under section 131 of the Trade Act are enacted by Congress after the report is completed, the request letter indicated that the Commission will be requested to provide such advice under section 131.

Public Hearing

A public hearing in connection with the investigation will be held at the U.S. International Trade Commission Building, 500 E Street SW, Washington, DC, beginning at 9:30 a.m. on July 19, 1995, and continuing, as required, on July 20. All persons shall have the right to appear, by counsel or in person, to present information and to be heard. Requests to appear at the public hearing should be filed with the Secretary, United States International Trade Commission, 500 E Street SW, Washington, DC 20436, no later than 5:15 p.m. July 7, 1995. Any prehearing briefs (original and 14 copies) should be filed not later than 5:15 p.m., July 10, 1995; the deadline for filing post-hearing briefs or statements is 5:15 p.m., July 25, 1995.

In the event that, as of the close of business on July 7, 1995, no witnesses are scheduled to appear at the hearing, the hearing will be cancelled. Any person interested in attending the hearing as an observer or non-participant may call the Secretary to the Commission (202-205-2000) after July 7, 1995, to determine whether the hearing will be held.

Because the Commission expects to provide detailed advice on narrowly defined industries and product lines, testimony and briefs should focus on specific industries and products rather than broad issues of trade policy. In the context of specific industries and products, the Commission is interested in receiving information on existing nontariff barriers to trade with Chile.

Requests to appear at the hearings must contain the following information:

- a. A description of the article or articles on which testimony will be presented, including, if possible, the item number or numbers in the Harmonized Tariff Schedule of the United States (1995) covering the article or articles.
- b. The name and organization of the witness or witnesses who will testify, and the name, address, telephone

number, and organization of the person filing the request.

c. A statement indicating whether the testimony to be presented will be on behalf of importers, domestic producers, consumers, or other interests.

Written Submissions

In lieu of or in addition to participating in the hearing, interested parties are invited to submit written statements concerning the matters to be addressed by the Commission in its report on this investigation. Commercial or financial information that a submitter desires the Commission to treat as confidential must be submitted on separate sheets of paper, each clearly marked "Confidential Business Information" at the top. All submissions requesting confidential treatment must conform with the requirements of § 201.6 of the Commission's Rules of Practice and Procedure (19 CFR 201.6).

Because the Commission intends to use the information collected in the course of the section 332 investigation in the section 131(b) investigation, should one be requested, the Commission requests that all such requests for confidential treatment filed in connection with the section 332 investigation contain the following consent statement: "I consent to the use of this confidential business information by the Commission in preparing its advice to the President on this matter under section 131(b) of the Trade Act of 1974." Submissions requesting confidential treatment not containing this consent statement will be returned to the submitter. Any grant of confidential treatment to information received in the section 332 investigation would continue to apply to such information if it is used in the section 131(b) investigation.

All written submissions, except for confidential business information, will be made available in the Office of the Secretary to the Commission for inspection by interested parties. To be assured of consideration by the Commission, written statements relating to the Commission's report should be submitted to the Commission at the earliest practical date and should be received no later than the close of business on July 25, 1995. All submissions should be addressed to the Secretary, United States International Trade Commission, 500 E Street SW, Washington, DC 20436.

Persons with mobility impairments who will need special assistance in gaining access to the Commission should contact the Office of the Secretary at 202-205-2000.

Issued: April 7, 1995.

By order of the Commission.

Donna R. Koehnke,
Secretary.
