SUPPLEMENTARY INFORMATION: The text of
the Agreement and Order appears

Dated: April 7, 1995.

Sadye E. Dunn,
Secretary.

Settlement Agreement and Order

1. Giant Bicycle, Inc. (hereinafter, "Giant"), a corporation, enters into this Settlement Agreement (hereinafter, "Agreement") with the staff of the Consumer Product Safety Commission, and agrees to the entry of the Order described herein. The purpose of the Agreement and Order is to settle the staff's allegations that Giant knowingly caused the introduction into commerce of certain banned hazardous substances, namely bicycles, that did not comply with the Commission's Requirements for Bicycles, 16 CFR Part 1512, in violation of section 4(a) of the Federal Hazardous Substances Act (FHSA), 15 U.S.C. § 1263(a).

I. Jurisdiction

2. The Commission has jurisdiction over Giant and the subject matter of this Settlement Agreement pursuant to sections 3(a)(1) and 30(a) of the Consumer Product Safety Act (hereinafter, "CPSA"), 15 U.S.C. §§ 2052(a)(1) and 2079(a), and sections 2(f)(1)(D), 4(a) and 5(c) of the FHSA, 15 U.S.C. §§ 1261(f)(1)(D), 1263(a) and 1264(c).

II. The Parties

3. The "staff" is the staff of the Consumer Product Safety Commission, an independent regulatory commission of the United States established pursuant to section 4 of the CPSA, 15 U.S.C. § 2053.

4. Giant is a corporation organized and existing under the laws of the State of Virginia with its principal corporate offices located at 475 Apra St., Rancho Dominguez, CA 90220. Giant is engaged, among other things, in the business of importing and selling in the United States children's bicycles.

III. Allegations of the Staff

5. From at least October 1993, to January 1995, Giant introduced into interstate commerce approximately 1,000 of several models of bicycles. These bicycles failed to comply with various sections of the Commission's Requirements for Bicycles, (16 CFR Part 1512) including, but not limited to, violations of § 1512.16 (requirements for reflectors) and § 1512.15 (requirements for seats).

6. Because these bicycles failed to meet the requirements of the Requirements for Bicycles, each of them is a banned hazardous substance under 16 CFR 1500.18(a)(12) of the FHSA regulations and section 2(q)(1)(A) of the

FHSA, 15 U.S.C. 1261(q)(1)(A). The knowing introduction or delivery for introduction into interstate commerce, or the receipt in interstate commerce and the delivery or proffered delivery thereof for pay, of these banned hazardous substances by Giant are prohibited acts pursuant to section 4 (a) and (c) of the FHSA, 15 U.S.C. § 1263 (a) and (c) and subjects the firm to civil penalties under section 5(c) of the FHSA, 15 U.S.C. 1264(c)(1).

IV. Response of Giant

7. Giant denies the allegations of the staff that it has knowingly introduced or delivered for introduction into commerce, or that it received in interstate commerce and delivered or proffered for delivery thereof for pay the aforesaid bicycles, or that it has violated the FHSA in any way.

V. Agreement of the Parties

8. The Consumer Product Safety Commission has jurisdiction over Giant and the subject matter of this Settlement Agreement and Order under the following acts: Consumer Product Safety Act (15 U.S.C. § 2051 *et seq.*), and the Federal Hazardous Substances Act, 15 U.S.C. 1261 *et seq.*

9. Giant agrees to pay to the Commission the amount of Eighty-Five Thousand Dollars (\$85,000), as set forth in the attached Order and incorporated herein by reference, and further agrees to take the agreed upon corrective actions regarding the allegedly violative products which are the subject of this Agreement.

10. The Commission does not make any determination that Giant knowingly violated the FHSA. The Commission and Giant agree that this Agreement is entered into for the purposes of settlement only.

11. Upon final acceptance of this Settlement Agreement by the Commission and issuance of the Final Order, Giant knowingly, voluntarily and completely, waives any rights it may have in this matter (1) to an administrative or judicial hearing, (2) to judicial review or other challenge or contest of the validity of the Commission's actions, (3) to a determination by the Commission as to whether Giant failed to comply with the FHSA as aforesaid, and (4) to a statement of findings of fact and conclusions of law.

12. For purposes of section 6(b) of the CPSA, 15 U.S.C. § 2055(b), this matter shall be treated as if a complaint had been issued; and, the Commission may publicize the terms of the Settlement Agreement and Order.

13. Upon provisional acceptance of this Settlement Agreement and Order by the Commission, this Settlement Agreement and Order shall be placed on the public record and shall be published in the Federal Register in accordance with the procedures set forth in 16 CFR 1118.20(e)-(h). If the Commission does not receive any written request not to accept the Settlement Agreement and Order within 15 days, the Settlement Agreement and Order will be deemed finally accepted on the 16th day after the date it is published in the Federal Register.

14. The parties further agree that the Commission shall issue the attached Order, incorporated herein by reference; and that a violation of the Order shall subject Giant to appropriate legal action.

15. Agreements, understandings, representations, or interpretations made outside of this Settlement Agreement and Order may not be used to vary or to contradict its terms.

16. The provisions of the Settlement Agreement and Order shall apply to Giant and each of its successors and assigns.

DEPARTMENT OF DEFENSE

Department of the Army

Office of the Secretary of the Army; Availability for Final Environmental Impact Statement (FEIS) for Proposed Deep Draft Dredging at Military Ocean Terminal, Sunny Point, NC

AGENCY: Department of Defense, United States Army.

ACTION: Notice of availability.

SUMMARY: The Military Ocean Terminal, Sunny Point, located along the west bank of the Cape Fear River in southeastern North Carolina, is 25 miles south of Wilmington and 5 miles north of Southport. The proposed improvements consist of dredging to deepen the south and center basins and their entrance channels from 34 feet mean low water (m.l.w.) to 38 feet m.l.w., plus 2 feet of overdepth, and to widen these entrance channels from 300 feet to 400 feet. Also, a portion of the center basin will be widened from 800-1,000 feet wide to 1,500 feet wide. Existing permanent navigation facilities require improvements to provide sufficient depth and width to allow the safe passage and maneuvering of modern deep-draft vessels and to permit loading them to their designed capacity and draft. Dredged material disposal will be at the Wilmington Ocean Dredged Material Disposal Site, although other reasonable alternatives are addressed in the Final Environmental Impact Statement (FEIS).

Significant resources which may occur in the area and be impacted by the proposed plan include endangered species; estuarine, marine, and terrestrial habitat; estuarine, marine, and terrestrial life, historic properties; water quality; recreational and aesthetic resources; and wetlands.

Alternatives:

- a. No action/maintaining status quo.
- b. Improvement of existing navigation facilities. Federal, State, and local officials; conservation groups; and interested businesses, groups, and individuals are invited to comment on the FEIS. In order to be considered, comments should be received no later than 30 days from the date the Environmental Protection Agency publishes the Notice of Availability in the Federal Register.

ADDRESSES: Written comments may be forwarded to: District Engineer, U.S. Army Corps of Engineers, Wilmington District, (Attention: Mr. Philip Payonk), PO Box 1890, Wilmington, NC 28402-1890.

FOR FURTHER INFORMATION CONTACT: Questions regarding this proposal may be directed to Mr. Payonk, (919) 251-4589.

Dated: April 10, 1995.
