

approximately \$1 million in Fiscal Year 1995 for up to 20 supplemental awards to existing grantees in Modules A, B, and C of its Substance Abuse Prevention Demonstration Grant Program for High Risk Populations. The supplemental funding is intended to demonstrate the differential effectiveness of incorporating an HIV/AIDS Prevention curriculum into an ongoing substance abuse prevention program as compared to providing such a curriculum as a stand-alone activity. Youth at risk for ATOD use are also at risk for precocious and unprotected sexual behavior. Because there is so much overlap between the youth at risk for ATOD use and those at risk for HIV/AIDS, as a result of unprotected sexual behavior, it is logical to consider enhancing an ATOD prevention program with an HIV/AIDS prevention curriculum.

Only currently funded grantees in Modules A, B, and C are eligible to apply for supplemental funding. Eligibility is limited to existing grantees because, within the one year time frame of this supplement, available funds can be used more efficiently by existing grantees with established infrastructures, a clientele under care and an evaluation staff and program in place. Module D grantees are excluded because this added project would interfere with their design to replicate a CSAP high risk youth model program.

To apply for a supplemental award, a currently funded CSAP grantee in Module A, B, or C must have more than eighteen months remaining in their current grant as of October 1, 1995. Awards will be limited to one year and cannot exceed a total of \$50,000 in direct and indirect costs. The receipt date for applications is May 29, 1995. The application receipt and review and the award process will be handled in an expedited manner. Applications will be reviewed for merit by a panel of expert Federal and non-Federal reviewers, and supplements will be awarded on the basis of merit and availability of funds no later than September 30, 1995.

FY 1995 Funding Availability HOPE for Homeownership of Single Family Homes Program (HOPE 3); Notice of Correction of Allocation Amounts

AGENCY: Office of the Assistant Secretary for Community Planning and Development, HUD.
ACTION: FY 1995 funding availability; notice of correction.

SUMMARY: On February 24, 1995, HUD published a notice that announced the availability of approximately \$22 million in funding for implementation grants for the HOPE for Homeownership of Single Family Homes Program (HOPE 3). The purpose of this notice is to revise the geographical area allocations set forth in the February 24, 1995 NOFA.

DATES: This notice does not revise the application deadline set forth in the February 24, 1995 NOFA.

FOR FURTHER INFORMATION CONTACT: Clifford Taffet, Office of Affordable Housing Programs, Department of Housing and Urban Development, room 7168, 451 Seventh Street, SW, Washington, DC 20410; telephone (202) 708-3226; (TDD) (202) 708-2565. (These are not toll-free numbers.)

SUPPLEMENTARY INFORMATION: On February 24, 1995 (60 FR 10446), HUD published a notice that announced the availability of approximately \$22 million in funding for implementation grants for the HOPE for Homeownership of Single Family Homes Program (HOPE 3).

Section I.B of the NOFA entitled "Allocation Amounts," sets forth the amount of the \$22 million that has been allocated to each of the 10 HUD geographical areas. In that section, HUD advised the amounts allocated to each of the 10 HUD geographical areas is based on a formula described in the final rule (24 CFR 572.210(b)) and based upon 1993 data. HUD further advised that should more recent data become available during the application solicitation period, revised allocations will be published in the **Federal Register**. The purpose of this notice is to revise the geographical area allocations set forth in the February 24, 1995 NOFA and increase the amount available for this competition from \$22 million to \$23 million based on recent recaptures.

Accordingly, in the NOFA published on February 24, 1995 (60 FR 10446), the following correction is made:

1. On page 10446, in column three, Section I.B. entitled "Allocation Amounts" is corrected to read as follows:

B. Allocation Amounts

The purpose of this NOFA is to announce the availability of approximately \$23 million in funds for implementation grants, appropriated by the HUD Appropriations Act for Fiscal Year 1995 (Pub. L. 103-327, approved September 28, 1994). The amount made available for implementation grants has been allocated to each of the 10 HUD geographical areas (formerly Regions) by a formula described in the final rule (24 CFR 572.210(b)). However, no former Region has been allocated less than \$1.0 million in order to ensure that national geographic diversity is maintained. The formula results in the following allocations based upon 1995 data. (The numbered geographical areas correspond to the number of the former HUD Region; e.g, 1 = former Region I).

1. \$1,030,000
2. \$2,120,000
3. \$2,217,000
4. \$4,287,000
5. \$3,206,000
6. \$2,829,000

7. \$1,000,000
8. \$1,000,000
9. \$4,311,000
10. \$1,000,000

Dated: April 6, 1995.
Kenneth C. Williams,
Deputy Assistant Secretary for Grant Programs.

NOFA for Fiscal Year 1995 for Rental Voucher Program and Rental Certificate Program; Correction

AGENCY: Office of the Assistant Secretary for Public and Indian Housing, HUD.
ACTION: Notice of fund availability (NOFA) for FY 95 and procedures for allocating funds and approving housing agency (HA) applications; correction.

SUMMARY: The Department is publishing corrections to the Notice of Fund Availability (NOFA) published in the **Federal Register** on March 3, 1995, for the Rental Voucher Program and Rental Certificate Program. The amount of funding available for the housing counseling program contained inconsistencies, the specification of a technical correction period for the Mainstream Housing Opportunities component contained inconsistencies, and the names of the counseling agencies to administer the counseling portion of the program contained inaccuracies, resulting from inadvertence. The deadline dates for applications may have been unclear, so this correction also is intended to clarify those dates.

ADDRESSES: Please refer to the March 3, 1995, NOFA publication (60 FR 12036) for the application information and addresses for submitting applications for Section 8 rental assistance funding.
