Technical Advisory Committee for Diabetes Translation and Community Control Programs: Meeting

In accordance with section 10(a)(2) of the Federal Advisory Committee Act (Pub. L. 92-463), the Centers for Disease Control and Prevention (CDC) announces the following committee meeting.

Name: Technical Advisory Committee for Diabetes Translation and Community Control Programs.

Times and Dates: 1 p.m.-5 p.m., Thursday, May 4, 1995. 8 a.m.-11:30 a.m., Friday, May 5, 1995.

Place: Adam's Mark Hotel, Vail Room, 1550 Court Place, Denver, Colorado 80202-5199, telephone 303/893-3333.

Status: Open to the public, limited only by the space available.

Purpose: This committee is charged with advising the Director, CDC, regarding priorities and feasible goals for translation activities and community control programs designed to reduce risk factors, morbidity, and mortality from diabetes and its complications. The committee advises regarding policies, strategies, goals and objectives, and priorities; identifies research advances and technologies ready for translation into widespread community practice; recommends public health strategies to be implemented through community interventions; advises on operational research and outcome evaluation methodologies; identifies research issues for further clinical investigation; and advises regarding the coordination of programs with Federal, voluntary, and private resources involved in the provision of services to people with diabetes.

Matters To Be Discussed: Committee members will discuss progress towards a National Diabetes Education Program, evolving strategies and scientific activities related to screening for Type II diabetes, possible participation by CDC in the National Institutes of Health-sponsored Diabetes Prevention Trial-Type II, policy and economic activities, and the status of mechanisms of CDC's Division of Diabetes Translation support to States.

Agenda items are subject to change as priorities dictate.
