Schedule of User Fees for Certification Services and Approvals Performed Outside the United States

ACTION: Notice.

SUMMARY: This notice informs the public of the effective date of changes to the schedule of user fees for certification services and approvals outside the United States.

The methodology for computing these user fees and the resulting user fee levels were adopted through rulemaking action. This rulemaking "Fees for Certification Services and Approvals Performed Outside the United States", Docket No. 27809, Amendment No. 187-5, is published as a final rule in this same part of the **Federal Register**, and will become effective on May 19, 1995. In connection with its rulemaking initiative, the FAA indicated that it will publish a notice of issuance of Advisory Circular entitled, "Flight Standards Service Schedule of Charges Outside the United States." The Final Rule requires

FAA to publish in the "Notices" section of the **Federal Register** all changes to the schedule of user fees for certification services and approvals performed outside the United States. This notice is issued in response to that requirement. The new schedule of fees, which will also appear in the Advisory Circular, is presented below.

EFFECTIVE DATE: The schedule of fees published below becomes effective on May 19, 1995.

FOR FURTHER INFORMATION CONTACT:

Ms. Emily A. White, Flight Standards Service, AFS-50, Federal Aviation Administration, 800 Independence Avenue, S.W., Washington, DC 20591, telephone (202) 267-3301.

SUPPLEMENTARY INFORMATION: User fees will be reviewed every year, at the beginning of the fiscal year, and adjusted either upward or downward in order to reflect the current costs of performing certification services and approvals outside the United States.

Notice of each change to a fee for a service described in the user fee schedule will be published in the "Notices" section of the **Federal Register**.

Issued in Washington, DC on April 10, 1995.
