ACTION: Interim rule with request for comment.

SUMMARY: The Director of Defense Procurement has issued an interim rule amending the Defense Federal Acquisition Regulation Supplement (DFARS) to revise the existing foreign source restrictions for machine tools and valves, buses, chemical weapons antidote, air circuit breakers, and antifriction bearings, by uniformly permitting acquisition of Canadian items, expanding and standardizing the waiver criteria, and exempting acquisitions below the simplified acquisition threshold from these restrictions.

DATES: *Effective date:* April 10, 1995.

FOR FURTHER INFORMATION CONTACT: Ms. Amy Williams, (703) 602-0131.

SUPPLEMENTARY INFORMATION:

A. Background

This interim DFARS rule implements 10 U.S.C. 2534 as amended by Section 814 of the Fiscal Year 1995 Defense Authorization Act (Pub. L. 103-337) and Section 4102(i) of the Federal Acquisition Streamlining Act of 1994 (Pub. L. 103-355). Section 814 revises the existing foreign source restrictions for machine tools and valves, buses, chemical weapons, antidote, air circuit breakers, and antifriction bearings, by uniformly permitting acquisition of Canadian items, and by expanding and standardizing the waiver criteria. Section 4102(i) exempts acquisitions below the simplified acquisition threshold from these restrictions.

B. Regulatory Flexibility Act

The interim rule may have a significant economic impact on a substantial number of small entities within the meaning of the Regulatory Flexibility Act, 5 U.S.C. 601, *et seq.*, because the rule expands the conditions under which non-U.S. products may be acquired. An Initial Regulatory Flexibility Analysis (IRFA) has been prepared and may be obtained from the address specified herein. A copy of the IRFA has been submitted to the Chief Counsel for Advocacy of the Small Business Administration. Comments are invited from small businesses and other interested parties. Comments from small entities concerning the affected subparts will be considered in accordance with Section 610 of the Act. Such comments must be submitted separately and cite DFARS Case 94-D314 in correspondence.

C. Paperwork Reduction Act

The Paperwork Reduction Act does not apply because the rule does not impose any additional information collection requirements which require the approval of the Office of
